## Bayside's Electronic Eyes

Home security cameras allow residents to deter would-be criminals, protect packages left on the doorstep, and even communicate with strangers on their property without ever having to open the front door. These cameras are also a great tool for law enforcement as they capture images of criminal suspects and their vehicles, not just on your own property, but in areas adjacent to your property. These images could be key pieces of evidence that help solve a crime that occurred in

your neighborhood. To help us identify locations we can check for possible video footage of criminal incidents, we have created the Bayside Electronic Eyes (B.E.E.) Camera Registration Program.

Registration with the [B.E.E. Program](#) is voluntary, confidential, and has no fees associated with it. Registering your camera does not provide the Bayside Police Department with direct access to your camera(s). The Bayside Police Department will only contact you directly to request the appropriate video surveillance footage during an investigation if there is an incident in the vicinity of your surveillance system.

Help us put the sting on crime by registering your security cameras today.

### Last Chance to Submit!

The submission deadline ends tonight! Will the plows be named Melton John? Flake Lively? Jae Plowder?!

We are asking you to send in your most creative (and appropriate) name ideas.

- Each person may submit one name.
- Submissions are limited to no more than 30 characters.
- Nothing vulgar please. Any submission that includes profanity or other inappropriate language will not be considered.
- Politically inspired names will not be considered. Naming snowplows is meant to be lighthearted, so we're going to keep this contest nonpartisan and nonpolitical.

Get creative and have fun! Voting will begin next week.

## Snow Plow Damage

Did the snow plow accidentally clip the shoulder in front of your home? Submit a request through Access Bayside in order for the "oopsie" to be placed on the restoration list.

The Department of Public Works will visit the site in spring for restoration.

Thank you for your continued patience and understanding as the crews work to keep our streets clear!

## Weight Limits Coming Soon

During the spring thaw, warming temperatures lead to soft conditions which put the structural strength and base of streets at risk. Weight limits are placed on streets to protect against damage.

Weight limits will be effective on Monday, March 20. All interior Village streets are subject to the three (3) ton weight limit until approximately May 1. Offenders are subject to a municipal citation.

## Save the Date!

The Bayside Police Department is teaming up with Humane Animal Welfare Society (HAWA) and Village Hall to offer microchipping (\$35), pet licensing, [PetPatrol registration](#), and more!

The event will take place on March 30 from 4-6pm behind the Police Department. To schedule a microchipping appointment, contact the Police Department at 414-600-1723.

Make sure your furry friend is ready to live a happy and safe life in Bayside!
