Yard Waste Collection Next Week

The next full yard waste collection will be conducted the week of May 1.

- Yard waste must be out before 7am on Monday, May 1st to ensure your items will be picked up.
- Yard waste must be at least 3 feet away from mailboxes and other structures, branches must be less

than 5' long, branches must be parallel to the road, and cannot be in plastic bags.

- Yard waste should be placed in bags or containers if possible.
- If your pile is greater than 10' long x 5' wide x 5' high, you will need a special pick-up which can be requested [here](#).

Adopt-A-Tree Deadline MAY 5

The [Adopt-A-Tree program](#) is back with two options in 2023.

Option 1: Public Right-of-Way Trees

- The cost per tree is \$200, and includes 1 tree, planting in public right-of-way, mulching, & initial watering.

Option 2: Private Property Trees

- The cost per tree is \$225, and only includes the tree. Trees can be planted on private property.

In the continued effort to maintain a 5% species threshold and to diversify the Village's tree population, the following trees will be available this year:

- Japanese Tree Lilac
- Imperial Honeylocust
- Exclamation Planetree
- American Sweetgum

Sign up will begin soon, request your Adopt-A-Tree by Friday, May 5 to participate in the 2023 program.

- 10 yards - \$170
- 15 yards - \$250
- 20 yards - \$315
- 25 yards - \$375

Free mulch is available for pick up in the

Order Mulch

No Mow May

No Mow May is a conservation initiative that encourages people to stop mowing or mow less often for the month of May to create habitat and provide resources for bees and other early-season pollinators. The Village of Bayside is proud to join a number of other municipalities in the No Mow May initiative.

During the month of May, Bayside will suspend enforcement of long-grass rules, allowing property owners to delay or reduce lawn cutting to promote pollinator-friendly habitat early in the growing season. Participating residents must register their properties.

To become a 2023 No Mow May participant, Bayside residents must register through Access bayside no later than May 7, 2023.

Register Your Property

Happy Arbor Day!

National Arbor Day is April 28, 2023. If we all say Yes to Arbor Day, imagine what we can grow!

How can you celebrate Arbor Day?

- Participate in the Village's [Adopt-A-Tree Program](#)
- Learn about the [Power of Trees](#)
- Check out one of the [150 Ways to Celebrate Trees on Arbor Day!](#)

Bike Rodeo

Join the Bayside Police and Fox Point Police for a Bike Rodeo on Monday, May 8 from 9am to 12pm.

Bring your bike and helmet and learn bike safety information for parents and children, traffic laws, get fitted for a helmet, and meet officers!

The Bike Rodeo will be held at Stormonth Elementary School - 7301 N Longacre Rd, Fox Point, WI 53217.

Municipal Clerks Week

April 30-May 6 is Professional Municipal Clerks Week, which provides a chance to recognize our Village Clerk Rachel Safstrom and Deputy Clerk Madeline Moltzan!

We wish to recognize the accomplishments and service of our clerks in administering elections, financial management, property tax collection, personnel administration and so much more!

Sign Up for Updates

Traffic patterns in the I-43 North-South project area are fluid and changing frequently. To receive the most up-to-date information on closures and changes from the Department of Transportation, sign up for email updates!

2023 Assessments

The Village of Bayside performs a revaluation of all property annually. This means all property within the Village will be reviewed then assessed to fair market value annually. Your assessed value can increase or decrease each year depending on current market conditions. The fair market value of all property is calculated by reviewing arm's length sales, which are valid sales between a willing seller and a willing buyer on the open market. Assessors may also consider information from other sources to determine your assessment. Full value assessments ensure that your property value mirrors fair market value annually. If the market for similar property decreases, your value will decrease to match what the market value is reflecting.

For those property owners where values will change in 2023, you will receive a change of assessment letter in early May. Open book, which is a time for all property owners to meet with the assessor as well as ask questions and discuss their current assessment, is a conference, either face-to-face or over the phone, with the assessor to discuss the value of your property. Open book will be held by phone and virtually May 5 – June 20 by appointment. In addition, an in-person open book will be held on May 23 from 1 to 3 pm at Village Hall. Board of Review, which functions like court and is required to evaluate evidence based on facts, will be held on June 27, beginning at 6 pm at Village Hall. Visit the Village web site for more information.

DURING AN INSPECTION WE...

1. Bring up a photo and sketch of your property to ensure we are at the correct location.
2. Look over the current property conditions in our database.
3. Review the notes on the property to prepare for our visit.
4. Look for permits in the windows or on the property.
5. Knock or ring the doorbell as we approach. Leave a door tag if no one is there.
6. Explain why we are visiting; remodel, new construction, permit.

COMMON INSPECTION TYPES:

Exterior

Most Common

- Validate measurements
- Verify recent enhancements
- Check property data
- Take new exterior images

Interior

Least Common

- Validate measurements
- Verify any recent enhancements
- Inspect condition of interior
- Review property data
- No images taken inside

New Construction

- Verify percent complete
- Flag for another visit if not complete
- Review the construction plans
- Create a sketch of the property
- Measure and list the property
- Take exterior image

Permits

- Verify when permit was complete
- Flag for another visit if not complete
- Update sketch of property
- Take exterior image if complete

Did You Know?

The Doctors Park Spring Weed Out will take place on Saturday, May 13 at 9am. Join volunteers for 2-3 hours of removing invasive plants from Doctors Park. Learn how to identify invasive plants such as Arctic Scilla and Garlic Mustard. There are tasks for any skill level and age including digging, dragging, and pulling. No experience needed. Equipment, training, and supervision will be provided. Please wear appropriate gear: long pants, gardening gloves, and strong shoes.
