Adopt-A-Drain

Join Bayside's Adopt-a-Drain program and make a splash in community care! By participating and adopting a drain, you're helping prevent trash, debris, and other pollutants from entering our waterways. You also keep the roads from flooding by ensuring any drains are clear of blockages. Lastly, it's a great way to get involved in the community – team up with your neighbors to maintain your street's drains. It's easy to join! Just pick a drain, monitor that drain, and report your drain status once a month. Thank you to those who have participated this far and have made the commitment to our community!

Did You Know?

This year's musical act at Fall Fest is a bluegrass duo from the band Frogleg! Give them a listen and get ready to enjoy them from 2-6pm on Saturday, September 23.
