Village of Bayside Street Sign Auction

Street Sign Auction

Feeling nostalgic? In a recent update, the Village transitioned out the old street signs with new ones. With this comes an exciting opportunity for you to purchase a lasting memory of your street through an upcoming auction. The auction is scheduled from September 8 through October 20, so make sure you mark your calendars and get your bid on. Click the link below to start placing your bids!

[Voter Registration Status](#)

Did you receive a letter stating someone in your household may not be registered to vote?

Letters were recently sent out by a local non-profit to help individuals who may want to register to vote. These letters were not sent by the Village of Bayside. If you are registered to vote, you do not need to re-register. Check your registration status at MyVote Wisconsin.

What's On The Road?

The Department of Public Works will soon be performing manhole transition ring installation in preparation for the upcoming winter plowing season.

This work helps protect manholes and the snowplow blades once the snow starts to fall and the crews start to plow.

If you see your Public Works crews out performing road work, please slow down and provide extra space!

BOOK DONATIONS NEEDED!

The Friends of North Shore Library are seeking new and like new items for their upcoming Book Sale. Donations accepted during normal library hours.

If donating more than four boxes please contact the library to make drop off arrangements.

Did You Know?

The first Village of Bayside Fall Picnic was hosted in 1976. The idea started four years earlier as a local option for Fourth of July fireworks, but became what we know today as a fall community cookout-style event in 1976.
