

BAYSIDE BUZZ

VILLAGE OF BAYSIDE

First Leaf Collection

The first leaf collection will begin on Monday, October 23.

Leaves should be on the shoulder of the road - not in the ditch and not in the street. This practice is not only for collection purposes, but maintains safety and keeps stormwater clean!

Pumpkins can also be placed in loose leaf piles, but all other yard waste should be kept separate.

Watch [DPW Dan](#) or visit the [collection schedule](#) for more information.

The best fertilizer is already in your yard! Mulch your loose leaves and use them as fertilizer in your yard.

Drug Take Back Day

Too often, unused and unwanted medications find their way into the wrong hands. That's dangerous and often tragic. Bringing unused and unwanted medications to a Drug Take Back Day collection site protects you, your family, and your community.

In April of 2023, Wisconsin ranked number one throughout the country for the most prescription medications collected during the spring 2023 Drug Take Back. Wisconsin collected 55,472 lbs. of unwanted medications this spring.

The next Drug Take Back Day will be held on October 28, 2023 at the Bayside Police Department Lobby.

Coffee With A Cop

Mark your calendars for our upcoming Coffee With a Cop event at the Mequon Fiddleheads Coffee Roasters!

On Thursday, November 2 from 8-10 am, Bayside officers will join officers from the Mequon Police Department and deputies from the Ozaukee County Sheriff's Office for coffee and conversation with you and the community. This event brings law enforcement and the communities they serve together, over coffee, to discuss issues and learn more about each other.

Whether you pop in to say "hi" or stay for the duration of the event, we hope to see you all there!

Did You Know?

The average time a plastic bag is used for 12 minutes yet it takes 1,000 years for a single plastic bag to decompose. Even after 1,000 years, plastic bags aren't fully broken down and become microplastics that continue to pollute the environment.
