

## Street Sign Auction

Feeling nostalgic? In a recent update, the Village transitioned out the old street signs with new ones. With this comes an exciting opportunity for you to purchase a lasting memory of your street through an upcoming auction. The auction is scheduled through October 20 at 11:30pm, so make sure you mark your calendars and get your bid on.

## #9PMRoutine

When the clock strikes 9:00pm, it's time to lock up! One of the best ways to prevent crimes is to follow the #9PMRoutine.

- Remove valuables from vehicles.
- Lock vehicle doors.
- Close the garage door.
- Close and lock all exterior doors.
- Turn on exterior lights.

Help keep you and your property safe - follow the #9PMRoutine!

## Upcoming Collections

Starting October 16, the Department of Public Works will alternate between yard waste and loose leaf collection every week until the end of November. The last week of November, the Department will collect both yard waste and loose leaves.

Never miss a collection! View the Collection Guide below to view the collection schedule.

[2023 Collection Guide](#)

## □ Fall Collections How-To □

The first loose leaf collection will begin on October 23.

How are loose leaves collected?

- The Village uses a leaf vacuum to collect loose leaves.

What are loose leaves?

- Loose leaves are tree leaves. Branches and large plant leaf bundles are not loose leaves.

How can I dispose of pumpkins?

- Pumpkins can be put in yard waste piles, loose leaf piles, or dropped off at Village Hall in the pumpkin disposal bins from October 30 to November 30.

Why weren't my leaves picked up?

- Piles may not be picked up if there are other items in the leaf pile like branches, as the machine cannot suck up branches. If you bag your leaves, they will only be picked up during yard waste collection weeks. Piles must be in the road shoulder, not in the road or the ditch.

Too often, unused and unwanted medications find their way into the wrong hands. That's dangerous and often tragic. Bringing unused and unwanted medications to a Drug Take Back Day collection site protects you, your family, and your community. In April of 2023, Wisconsin ranked number one throughout the country for the most prescription medications collected during the spring 2023 Drug Take Back. Wisconsin collected 55,472 lbs. of unwanted medications this spring.

The next Drug Take Back Day will be held on October 28, 2023 at the Bayside Police Department Lobby.

## Let's Compost!

Did you know, over 25% of the waste stream could be composted? Items like yard materials, vegetable and fruit scraps, coffee grounds and filters, newspaper, and more can be composted!

We are lucky to have two local companies who provide flexible composting services:

- Curby's Compost Service
- Compost Crusaders
