

BAYSIDE BUZZ

VILLAGE OF BAYSIDE

Leaf Collection

The next leaf collection will begin on Monday, November 6.

Leaves should be on the shoulder of the road - not in the ditch and not in the street. This practice is not only for collection purposes, but maintains safety and keeps stormwater clean!

Pumpkins can also be placed in loose leaf piles, but all other yard waste should be kept separate.

Watch [DPW Dan](#) or visit the [collection schedule](#) for more information.

The best fertilizer is already in your yard! Mulch your loose leaves and use them as fertilizer in your yard.

Pumpkin Disposal

You have 3 options for disposing of pumpkins this fall:

1. Place in your yard waste pile.
2. Place in your leaf pile.
3. Bring to the pumpkin disposal carts at Village Hall from October 30 to November 30.

It is important to keep organic material, such as pumpkins, out of the waste stream.

Coffee With a Cop event at the Mequon Fiddleheads Coffee Roasters!

On Thursday, November 2 from 8-10 am, Bayside officers will join officers from the Mequon Police Department and deputies from the Ozaukee County Sheriff's Office for coffee and conversation with you and the community. This event brings law enforcement and the communities they serve together, over coffee, to discuss issues and learn more about each other.

Whether you pop in to say "hi" or stay for the duration of the event, we hope to see you all there!

Time to Fall Back

Daylight savings time ends this weekend. Make sure to set your clocks back one hour on Saturday night.

This is also a great time to change the batteries in your smoke alarms!

Yard Waste Collection

The next full yard waste collection will begin on Monday, November 13.

- Yard waste must be out before 7am on Monday, October 30 to ensure your items will be picked up.
- Yard waste must be at least 3 feet away from mailboxes and other structures, branches must be less than 5' long, branches must be parallel to the road, and cannot be in plastic bags.
- Yard waste should be placed in bags or yard waste carts if possible.
- If your pile is greater than 10' long x 5' wide x 5' high, you will need a special pick-up which can be requested [here](#).

Adopt-A-Drain: Keep them Clear

Join Bayside's Adopt-A-Drain program and make a splash in community care! By participating and adopting a drain, you're helping prevent trash, debris, and other pollutants from entering our waterways.

It's fall which means the leaves are falling and gathering around drains. Keeping drains clear of leaves helps in the winter and spring when snow starts to melt.

It's easy to join! Just pick a drain, monitor that drain, and report your drain status once a month. Thank you to those who have participated this far and have made the commitment to our community!
