Sewer Jetting Begins Monday

Sewer jetting will be conducted in the area south of Fairy Chasm Road, east of Pelham Parkway, and north of Brown Deer Road beginning Monday, November 13.

The sanitary sewer main cleaning process uses high pressure water jetting in the sewer mains that may push water out of your residential plumbing floor traps and private plumbing fixtures. This happens most commonly when there is a problem with a home's plumbing vent. It will be most evident by the appearance of clean water ponding on the floor around floor drains or water levels rising inside of toilet bowls.

To prevent this, please pour tap water down all basement floor drains or rarely used sinks, tubs, or toilets to ensure that you do not have a dry sewer trap.

Yard Waste Collection

The next full yard waste collection will begin on Monday, November 13.

- Yard waste must be out before 7am on Monday, October 30 to ensure your items will be picked up.
- Yard waste must be at least 3 feet away from mailboxes and other structures, branches must be less than 5' long, branches must be parallel to the road, and cannot be in plastic bags.
- Yard waste should be placed in bags or yard waste carts if possible.
- If your pile is greater than 10' long x 5' wide x 5' high, you will need a special pick-up which can be requested [here](#).

Coats for Kids

As part of their mission to provide access to nature for all, including during the winter, Schlitz Audubon Nature Center is hosting a coat drive on Friday, November 10 – Sunday, November 12.

Drop off your old winter coats of any size (including adult sizes) at the donation bin near Schlitz Audubon's entrance, then take a pair of family guest passes for two future visits to the Center. Whether you're coming for a hike, or just want to contribute, we invite you to give your gently used winter coats in order to help keep kids and teens warm this winter.

Veteran's Day

Veteran's Day is celebrated on November 11 each year. We are grateful to all those who have served and are currently serving our country. Thank you!

In honor of Veterans Day, the Schlitz Audubon Nature Center will be offering 10 days of free admission to veterans, active duty military, and their guests from November 9-19. For more information, visit them online.

Leaf Collection

The next leaf collection will begin on Monday, November 20.

Leaves should be on the shoulder of the road - not in the ditch and not in the street. This practice is not only for collection purposes, but maintains safety and keeps stormwater clean!

Pumpkins can also be placed in loose leaf piles, but all other yard waste should be kept separate.

Watch [DPW Dan](#) or visit the [collection schedule](#) for more information.

The best fertilizer is already in your yard! Mulch your loose leaves and use them as fertilizer in your yard.

Pumpkin Disposal

You have 3 options for disposing of pumpkins this fall:

1. Place in your yard waste pile.
2. Place in your leaf pile.
3. Bring to the pumpkin disposal carts at Village Hall now through November 30.

It is important to keep organic material, such as pumpkins, out of the waste stream.

Virtual Food Drive

With the holiday season approaching, now more than ever families are in need of healthy and nutritious foods. Shopping the Village of Bayside Virtual Food Drive page is a safe and convenient way to help put food on the tables of over 50,000 people this holiday season that are served by the Hunger Task Force each month.

You can donate and shop the Virtual Food Drive at the link below.

This fun contest for children 15 years old and younger allows them to collect trading cards from Bayside police officers and turn the collection in for a prize.

The process to win a prize is simple!

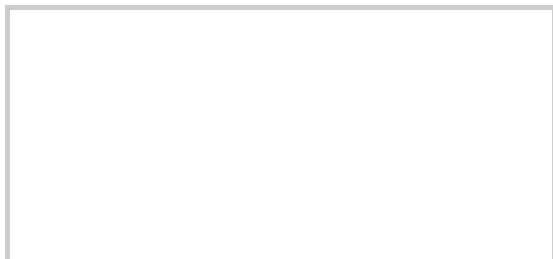

1. Find a Bayside police officer and request a pack of myBlue trading cards (one pack of cards will be distributed at a time)
2. Continue compiling cards until all 16 unique cards have been collected
3. With a parent/guardian, come to our police department during business hours by November 15, 2023 to claim your prize

Prizes have been donated by our generous sponsors who made the myBlue trading card program possible. Contest ends November 15, 2023.

Did You Know?

Today marks the anniversary of Kristallnacht, a dark chapter in history when violence and hatred targeted innocent lives. Let us remember the past, so we can work towards a future filled with tolerance, understanding, and peace.
