## Holiday Tree Collection

Residents may be seeing news stories regarding the collection of Christmas trees in the City of Milwaukee and their disposal method.

This does not effect the Village of Bayside. For nearly 20 years, the Village has collected trees as yard waste and chips them like other yard waste.

Tree collection will be performed as normal this year on the first and second Thursday of the year. Please have your trees roadside by 7am on January 4 or January 11 to have them collected. Trees should not be placed in bags and all items should be removed from trees.

## Bayside Citizens Academy

The Bayside Citizens Academy is back after a successful first year in 2023!

The Bayside Citizens Academy is a program offered to Bayside residents that aims to provide a closer look at the operations of local government and the jobs of those who work for the Village.

The Academy will be comprised of seven interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, property taxes, library, and health. Not only will participants learn about the operation, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Participants will navigate the program as a cohort, learning alongside fellow community members. Sessions will be held on specified Wednesday evenings from 6-8pm. The Village will hold a graduation reception at 5:45pm on Thursday, April 18 and a graduation ceremony at 6pm at that evening's Board of Trustees meeting.

The application for the Bayside Citizens Academy is now open and will close on Friday, January 5. More information regarding specific dates, content, and applying can be found in the BCA Brochure.
