### Scoop Your Poop!

Please remember to pick up after your pet when walking on Village streets. This also means taking the bag of pet waste with you. There are pet waste disposal stations located at Ellsworth Park and on Brown Deer Road where you can find both a bag and a proper place to dispose of the bag after use. Please don't leave the pet waste bag in the road or in someone's yard.

### Welcome Officer Wierzchowski!

Bayside's newest police officer, Officer Matthew Wierzchowski, is joining us with prior criminal justice experience with the Milwaukee Police Department.

Officer Wierzchowski is excited to serve the community. Welcome Officer Wierzchowski!

## **Bayside Citizens Academy**

The Bayside Citizens Academy is back after a successful first year in 2023!

The Bayside Citizens Academy is a program offered to Bayside residents that aims to provide a closer look at the operations of local government and the jobs of those who work for the Village.

The Academy will be comprised of seven interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, property taxes, library, and health. Not only will participants learn about the operation, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Participants will navigate the program as a cohort, learning alongside fellow community members. Sessions will be held on specified Wednesday evenings from 6-8pm. The Village will hold a graduation reception at 5:45pm on Thursday, April 18 and a graduation ceremony at 6pm at that evening's Board of Trustees meeting.

The application for the Bayside Citizens Academy is now open and will close on Friday, January 5. More information regarding specific dates, content, and applying can be found in the BCA

## Special Needs Registry

BUILDING THE BOND -- ONE STREET AT A TIME

The Police Department recognizes that some members of our community may have special needs, or may react differently when coming into contact with police officers or firefighters during an emergency situation.

The Special Needs Registry is available for all residents requiring special needs resulting from a physical, emotional, or medical condition (i.e. dementia, autism, etc.). Information provided is maintained in a confidential database which will assist emergency responders in providing a more informed response to those with special needs during an emergency.

If you are interested in participating in the Special Needs Registry, please fill out the request through Access Bayside.
