Where's my license?

2024 Pet Licenses

In 2023, we had 176 dogs and 17 cats receive their pet license - do we have more furry friends than that?

2024 Dog and Cat Licenses are now available. Apply in person at Village Hall or online.

Licenses are required for pets aged five (5) months and older. Proof of current rabies vaccinations with the rabies certificate number and expiration date must be provided to issue the license.

Licenses must be renewed each year. The deadline to apply without an additional fee is March 31.

The Key

The key to a safe and fun New Year's Eve is to get home safe!

If you plan to drink on New Year's Eve, don't drive home. Have a designated driver or use a ride-hailing app such as Uber or Lyft.

Never get in the car with a driver who has been drinking.

Resolve to Reuse in 2024

By committing to this New Year's Resolution, you signify your participation in ongoing efforts to:

- use reusable bags when possible;
- not place plastic bags in your recycling container collected bi-weekly by the Village;
- recycle plastic bags at either a participating local merchant or at Village recycling events.

Your participation to take action with others will improve both our community and our environment. Thank you and Happy New Year!

Holiday Tree Collection

Residents may be seeing news stories regarding the collection of Christmas trees in the City of Milwaukee and their disposal method.

This does not effect the Village of Bayside. For nearly 20 years, the Village has collected trees as yard waste and chips them like other yard waste.

Tree collection will be performed as normal this year on the first and second Thursday of the year. Please have your trees roadside by 7am on January 4 or January 11 to have them collected. Trees should not be placed in bags and all items should be removed from trees.

Tax Bills Are Here!

Property tax bills were mailed to property owners on December 11. The first property tax installment is due January 31, 2024. Property tax payments can be paid via US mail, dropped in the drop box outside Village Hall, online, or in Village Hall during regular business hours.

Village Hall will be closed on December 29 and January 1 in observance of the holiday.

Time is Running Out!

The Bayside Citizens Academy is a program offered to Bayside residents that aims to provide a closer look at the operations of local government and the

jobs of those who work for the Village.

The Academy will be comprised of seven interactive learning sessions led by Village staff who will provide participants with an in-depth look at Village departments and operations including, but not limited to, police, fire and EMS, public works, emergency dispatching, elections, budgeting, property taxes, library, and health. Not only will participants learn about the operation, but also tour the facilities. Yes, that means spend time in jail, listen to 911 calls, sit in the garbage truck, and more.

Participants will navigate the program as a cohort, learning alongside fellow community members. Sessions will be held on specified Wednesday evenings from 6-8pm. The Village will hold a graduation reception at 5:45pm on Thursday, April 18 and a graduation ceremony at 6pm at that evening's Board of Trustees meeting.

The application for the Bayside Citizens Academy is now open and will close on **Friday, January 5**. More information regarding specific dates, content, and applying can be found in the [BCA Brochure](#).
