Temporary Lane Closure Ahead

We Energies is installing a new power feed for Bayside Middle School. The power feed will result in trenching along the south side of Brown Deer Road, the west and east sides of Regent Road, and the north side of Ellsworth Lane.

This work will result in temporary lane closures along the route. We Energies will have flaggers on site to direct traffic. Please travel with caution along the route throughout the extent of the project.

The project is expected to be completed in late April. Any questions regarding the project can be directed to Paul Bradael at We Energies by calling (414) 540-5360.

Adopt-A-Drain

This warm weather makes it the perfect time to join Bayside's Adopt-a-Drain program and make a splash in community care! By participating and adopting a drain, you're helping prevent trash, debris, and other pollutants from entering our waterways. You also keep the roads from flooding by ensuring any drains are clear of blockages. Lastly, it's a great way to get involved in the community – team up with your neighbors to maintain your street's drains. It's easy to join! Just pick a drain, monitor that drain, and report your drain status once a month. Thank you to those who have participated this far and have made the commitment to our community!

2024 Pet Licenses

In 2023, we had 176 dogs and 17 cats receive their pet license - do we have more furry friends than that?

2024 Dog and Cat Licenses are now available. Apply in person at Village Hall or online.

Licenses are required for pets aged five (5) months and older. Proof of current rabies vaccinations with the rabies certificate number and expiration date must be provided to issue the license.

Licenses must be renewed each year. The deadline to apply without an additional fee is March 31.

Apply Online

Absentee Voting

The next election in the Village of Bayside will be the Presidential Preference Primary and Spring Election on April 2, 2024.
