**Visual Non-Serious Hazard Electrical Service Inspection Request**

Property Address: \_\_\_\_\_

Apartment / Suite Number: \_\_\_\_\_  Commercial  Residential

City: \_\_\_\_\_ Zip Code: \_\_\_\_\_

I request that City of Bedford Building Department perform a visual non-serious hazard electrical service inspection on the above listed property, in order to restore the permanent electrical service. I understand this request shall require an interior inspection of the electrical service panel and associated components. This visual inspection is limited in nature, and only intended to verify the existing installation is intact and safe to energize.

**Furthermore, if any repairs are needed I agree to contract with a properly registered Electrical Contractor in the City of Bedford to perform the necessary corrections.**
