

LOVE FEST 2019

Today's youth are in trouble. They are in desperate need of guidance to get them back to a place of emotional healing and social responsibility. THEY NEED MORE LOVE. After all is said and done, they are our future and it's going to take the entire village to assist.

Every day they face a barrage of negative influences from their peers, predators, dire family situations, social media, the news and bureaucratic red tape that often hinders more than it helps. We believe in most cases they simply need to be shown the positivity of love, encouragement, understanding and given a platform of positive expression.

I'm A SURVIVOR Mission and Tribute's Spiritual Gift Shop have joined together to host the 1st Annual Love Fest in Downtown Bedford, Ohio, Saturday, July 13, 2019.

Our theme this year is "Let's Celebrate LOVE In Unity." Our goal is to bring children, adults, organizations, businesses -- simply put "People" together for an afternoon of fun! This event will be hosted by our youth. We are planning Live Music, Dancing, Singing, Poetry and Spoken Word, Plays, and much more! Our goal is to bring awareness that we care to our youth in a way that will impact their lives and the community, too!

This is a "FREE" event without vendors or food trucks. We want to hand out water, snacks and hotdogs to all who attend.

Here's a little about US!

I'm A SURVIVOR Mission is a registered 501(c)3 Non-Profit community outreach organization, that unites communities by providing resources to SURVIVORS (children, parents, caregivers, siblings, friends, etc...). Our mission is to embrace the community. We are all survivors of something and or someone. I'm A SURVIVOR Mission is here to make a difference!

Tribute's Spiritual Gift Shop opened its doors in November 2014. Since our opening we have become a neighborhood place where people pop in and get a hug or safe place to unburden their hearts. We have truly become more than a business, to us, it is a mission. It is an honor to be part of this event.

With warm regards,
