HAPPY HALLOWEEN!

INSPIRATIONAL THOUGHTS

Life is too short. Grudges are a waste of perfect happiness. Laugh when you can, apologize when you should and let go of what you can't change. -Unknown

Thanks also to Mick Gongos for updates on travel news and Jack Hirko for submitting interesting photographs of our events every month. A special thanks to Sarah Gnoddie who adds news from the Recreation Dept and Library and then formats and prints out our monthly Mini News!

Working together we make our club's mini news the best!!!

MORE FACTS ABOUT OUR SENIOR CLUB

During the year, a number of bus trips are planned to various places – casinos, plays, restaurants, baseball games – just to name a few. The cost varies depending on the event. As always, reservations are a must and no refunds are issued after a certain date. Upcoming travel events are announced at every meeting and published in the monthly Mini News.

At the second meeting in June (4th Wednesday), the club has a themed picnic at the Ellenwood pavilion, complete with a Mr. Chicken dinner, games and prizes. In the fall, more exciting things are happening in the Club. During the first and second meetings in September, nominations for President, Vice President, Secretary and Treasurer are accepted and the ballot is set for voting at the first meeting of October.

In September, dues for the coming year can be paid by members to the Club Treasurer. Dues for the coming year need to be paid by members no later than the second meeting (4th Wednesday) of October. Members will receive a ticket to the Christmas party when their dues are paid for the coming year.

October is a special month for the Club, in that the annual election of officers is held at the first meeting of the month (2nd Wednesday). Elected officers serve for a term of one year from January 1st through December 31st.

At the second meeting of October (4th Wednesday), a Fall-themed dessert contest is held and prizes given out for first, second & third place. Entertainment is usually provided and members can come in costume if they prefer. No prizes are given out for costumes.

On the second Wednesday of November, a traditional Thanksgiving dinner is served after the business meeting. There is no meeting on the fourth Wednesday of November so members can be with their families for Thanksgiving.

On the second Wednesday of December, we have an elegant catered Christmas dinner with entertainment and gifts. The gym is decorated by our hospitality team and everything is very festive. There is no meeting on the fourth Wednesday of December so members can be with their families for Christmas. Upon arrival to the Christmas party, members must show the ticket they received when they paid their dues. The ticket is put in a drawing for prizes and gifts after dinner.

During the week, the Rec Center is open and the Senior Room is available for seniors to play Skee Ball, play cards or board games with a group of friends, a quiet place to read, watch TV, a movie or just hang out. We are very blessed to have Ellenwood Recreation Center as a place to meet. Membership in the Senior Club is not required for use of the Senior Room. It is open to all Bedford seniors 55 years old and older.

How To Recycle in Cuyahoga County: Back to the Basics

Recycling contamination happens when well intended recyclers mistakenly put the wrong items into their recycling. Here in Cuyahoga County, the best way to avoid recycling contamination in your curbside recycling is to recycle only these five core items: **CANS:** Empty and rinse. **CARTONS:** Empty and rinse. Replace the cap - it's too small to be recycled by itself! **GLASS BOTTLES & JARS:** Empty and rinse. **PAPER & BOXES:** Flatten cardboard items, like cereal boxes, to save space. **PLASTIC BOTTLES & JUGS:** Empty and rinse. Replace the cap. Place these items loose – not bagged – in your recycling bin or cart. All items should be empty, clean and dry. Plastic bottles and jugs includes items with an opening or neck that is narrower than the body.

Easy Apple Pie Cinnamon Rolls Recipe

Hmmm – what could be better than the smell of baked apple pie with cinnamon - just perfect for cooler summer/fall evenings or mornings.

Ingredients

- 1 tube of refrigerated cinnamon rolls
- 1 apple (Granny Smith or Golden Delicious)
- 1 tsp cinnamon
- 1 tbsp brown sugar
- 1 tsp vanilla extract
- ½ tsp lime (or lemon) juice

Instructions

Preheat oven to 375 degrees. Dice a peeled apple and mix with cinnamon, brown sugar, vanilla, and lime juice until evenly coated. Open the tube of cinnamon rolls. Roll each out or press out with fingers until you have a flat disc. Set the icing aside for later.

Spray a muffin tin with nonstick cooking spray, then push a cinnamon roll into each cup – make sure to press around the sides so they form their own cups! Add a generous spoon full of apples to each one.

Bake at 375 for 10 minutes. Once done, drizzle with icing that was set aside from the cinnamon rolls. Serve warm & enjoy!!

If you have any favorite recipes you would like to share, please give to Karen Wertz to insert into the Mini News.

OCTOBER NIGHT SKY *reprinted from Country Living Magazine—October, 2019*

Look for the Hunter's Moon (another name for October's full moon) on October 13th. It's also called Travel Moon, Dying Grass Moon, Blood Moon, or Sanguine Moon. Every three years it's also called the Harvest Moon.

Long celebrated as a harbinger of good food fortune, the Algonquin Native Americans once used its nocturnal glow to hunt and prepare for the colder months ahead. Since the harvesters had reaped the fields, hunters could easily see the fattened deer and other animals that came out to glean (and the foxes that came out to prey on them).

Stairway to Heaven

A redhead, brunette and blonde were on their way to Heaven.

God told them the stairway to Heaven was 1000 steps, and on every 5th step He'd tell them a joke. But, they must not laugh or else they couldn't enter heaven.

The brunette went first and started laughing on the 65th step, so she could not enter Heaven. The redhead went next and started laughing on the 320th step, so she could not enter Heaven either.

Then, it was the blonde's turn. When she got to the 999th step, she started laughing.

"Why are you laughing?" God asked. "I didn't tell a joke."

"I know," the blonde replied. "I just got the first one."

Things My Mother Taught Me – submitted by Karla Mahoney

My mother taught me to APPRECIATE A JOB WELL DONE. "If you're going to kill each other, do it outside – I just finished cleaning!"

My mother taught me RELIGION. "You'd better pray that will come out of the carpet!"

My mother taught me about TIME TRAVEL. "If you don't straighten up, I'm going to knock you into the middle of next week!"

My mother taught me FORESIGHT. "Make sure you wear clean underwear, in case you're in an accident!"

My mother taught me IRONY. "Keep laughing and I'll give you something to cry about!"

My mother taught me about the science of OSMOSIS. "Shut your mouth and eat your supper!"

For a Laugh – submitted by Lee Szymkowski

As I was getting into bed, she said, "You're drunk".

I said, "How do you know?"

She replied, "You live next door!"

DARN, I MISSED THIS ONE *reprinted from Country Living Magazine – July/August, 2019*

Smokey the Bear celebrated his 75th birthday on August 9, 2019. Since 1944, the U.S. Forest Service's icon has been spreading his fire-prevention message via posters, radio spots, postage stamps, and even his very own song, released in 1952.

Smokey the Bear's message was developed during World War II. There was concern over the possibility of enemy incendiary shell attacks off the west coast that could cause raging wildfires in the western forests. The most experienced firefighters were overseas in the war, so Smokey's awareness message rang out to the American public and over the years, became one of the most successful ad campaigns of all time.

FUN FACTS ABOUT CANDY CORN *reprinted from Country Living Magazine – October, 2019*

Per the National Confectioners Association, the sugary corn kernels – popular with the agrarian-minded society- were invented in the 1880s by George Renninger of Philadelphia's Wunderle Candy Co. In 1898, Illinois-based Goelitz Confectionery Co. (now the Jelly Belly Candy Co.) brought it to the masses with a rooster logo. Brach's, now the nation's biggest candy corn distributor, got into the game in 1904.

When the Goelitz Confectionery Company first produced candy corn, it was called "Chicken Feed". The boxes were illustrated with a colorful rooster logo and a tag line that read, "Something Worth Crowing For."

As wartime sugar rations lifted and the suburbs expanded in the 1950's, trick-or-treating became a true national pastime. Goelitz swapped its bulk-quantity distribution for more manageable individual bags. The 1940's. a wooden bucket with handle held up to 30 pounds of candy.

You don't have to wait for Halloween to indulge in the mellow crème candies. Celebrate National Candy Corn Day on October 30th. More than 17,000 tons of candy corn are produced each year. Candy corn is one of the better-for-you-candies of the Halloween season. It contains roughly 28 grams of sugar and only 140 calories per heaping handful – and it's fat free!!

In 1950, the price of candy corn was just 25 cents per pound and is made primarily from sugar, corn syrup, confectioner's wax, artificial coloring and binders.

It has a long shelf life. Once the package is opened, store candy corn in a covered container away from heat and light at room temperature; it should last 6 months. If unopened, packaged candy corn could last 9 months.

The tricolor treat remains popular, with an estimated 9 billion pieces manufactured each year.
