City of Bedford Newsletter

December 2020

Dear Residents,

I hope this message finds all of you and your families well. I would like to thank you for your continued cooperation and flexibility as we all navigate through the COVID-19 pandemic. The City of Bedford continues to make adjustments as it pertains to upcoming programming, events, meetings and services. All of this information can be viewed on the City of Bedford's website at www.bedfordoh.gov and various social media platforms.

As of November 18th, 2020, Cuyahoga County is designated as Red Alert Level 3 in Ohio's Public Health Advisory System. The Advisory System consists of four alert levels that provide Ohioans with guidance as to the severity of COVID-19 spread in the counties in which they live. Each level is calculated based on seven data-driven health indicators. The Ohio Department of Health will continue to update county rankings every Thursday. For more specific information and daily updates, please visit the COVID-19 Information and Resource Page on the City's website.

Although some of these decisions and guidelines are difficult, ensuring the health and safety of our community is our top priority. The actions of all of us can help schools reopen and keep our businesses open. It is our hope that all residents and visitors will continue practicing social distancing and adhere to the state issued guidelines. As mentioned, there is a link on the City website home page titled "City of Bedford Coronavirus/COVID-19 Information and Resource Page". This page has been created to provide residents and business owners links to relevant news and information regarding coronavirus/COVID-19 and resources that may be available to assist those in need. Our staff continues to add information as it becomes available. As this situation continues to change, information will be updated on the City's website and social media platforms.

Please know, the City continues to perform all essential functions, including our first responders and public works. Rest assured, our Police and Fire Department staff will continue to serve and support our community. The health and safety of our residents, businesses and staff is of the utmost importance. All of our staff remain available by phone or email and we are encouraging City business be conducted in this manner and online. A City department and staff directory is on the City's website at <https://bedfordoh.gov/contact/>.

Please continue to check on your friends and neighbors and continue to practice social distancing....it will take all of us to get through this. The Administration and I thank you for your cooperation and continued support of the City of Bedford.

Sincerely,

Michael S. Mallis
City Manager

Snow Removal

When snow accumulations exceed two inches, a parking ban is put into effect. No parking on any city streets. It is the property owner's responsibility to clear snow from the sidewalk. Additionally, we request that residents clear fire hydrants in front of their homes. When having your driveway and sidewalks cleared of snow, all snow is to remain on your property.

Virtual Painting with So-So Artsy

Join us for a live, interactive virtual painting class for beginners! You have the option to register with or without the So-So Artsy Kit.

Kits can be picked up at Ellenwood Center or So-So-Artsy Paint Studio in Northfield Village, please indicate your preference during registration. Kit pick up details and Zoom information will be sent to registered participants.
