In order to effectively serve seniors in Phase 1B of the state vaccination program, many local medical providers are offering vaccines to those 65 years of age and older.

***You must directly contact the provider of your choice from this list to schedule a vaccine appointment.***

***If you have signed up at [www.ccbh.net/vax](http://www.ccbh.net/vax) to be notified when spots are open at one of our covid clinics, you will still be able to receive a vaccine from us, but you may wait longer than if you choose a provider from this list.***
