Learn-to-Swim
We are pleased
to announce
the return of
learn-to-swim
lessons! See
back of flyer for
details!

Learn-To-Swim Course Descriptions

Level 1 (swimmers ages 5 and older): Beginner swimmers work on gaining confidence in the water by using floatation devices to assist in movement, submerging their face in the water and basic floating. Safety emphasis is on wearing a life jacket when appropriate.

Level 2 (swimmers ages 5 and older): Beginner swimmers expand their confidence level in the water by swimming without floatation for 15 yards, submerging and retrieving an object from underwater and basic movement while on their back. Safety emphasis is on entering the pool appropriately.

Level 3 (swimmers ages 5 and older): Swimmers are introduced to the freestyle stroke using rotary breathing and the elementary backstroke with a flutter kick. This is the last level taught in the shallow sections of the pool. Safety emphasis is on swimming with a friend in a supervised area.

Level 4 (swimmers ages 5 and older): This is the first level taught in water where the swimmers cannot stand. Swimmers begin to build endurance while swimming the freestyle, and the backstroke and side stroke are introduced. Swimmers learn how to dive into the deep water from the side. Safety emphasis is on when to call 911.

Level 5 (swimmers ages 5 and older): Swimmers continue to perfect the freestyle and backstroke, while being introduced to the breaststroke. More endurance in both swimming and treading is built. Swimmers are introduced to diving. Safety emphasis is on what to do in an emergency.

Level 6 (swimmers ages 5 and older): Swimmers learn the butterfly stroke, while perfecting the breaststroke. Swimmers are also trained to pass the prerequisites for the lifeguarding course. In addition to building endurance, the safety emphasis is on knowing where to swim and dive.

Tiny Tots Learn-To-Swim Course Description

Tiny Tots is a parent/child program for ages 2 - 4 (must be potty trained). The program is designed to be a fun parent/child experience to build confidence in the water and prepare children for future swim lessons.

Learn-to-Swim Fees & Dates

The Bedford Municipal Pool Learn-to-Swim program is for children ages 5 and up, as well as Tiny Tot preparation classes for children ages 2-4 accompanied by a parent.
