Game fees will not be returned for games that are not resumed. Unless resumed, they are not legal games and will not count in standings.
- 6. Games stopped because of the time limit** - that have not completed 5 innings (4 ½ if the home team is winning) will count as legal games.
- 7. Tie games** will be played past time limit by 1 inning increments to determine winner. Tie games called because of darkness or curfew will be rescheduled and resumed at the point that they were stopped.
- 8. Curfew** - The last game of the night will start no later than 10:15 PM and all managers and game officials are instructed that in the case games are started after 10 PM, no warm-up pitches or infield practice between innings will be permitted and all batters must be ready to hit. No new inning may begin after 11 PM. Games stopped because of this curfew will be declared an official game if 5 innings (4 ½ innings if home team is winning) are completed. This is not a suspended game. If the game is stopped due to curfew before 5 innings (4 ½ innings if the home team is winning) are completed, refer to the rule regarding games cancelled due to weather.

If in the opinion of the umpires the game cannot continue, it shall be resumed at a later date from the point of interruption. Umpires are to be compensated \$5 per inning played not to exceed the total game fee.

10. Run Rules – The ASA/USA run rules apply. See ASA/USA Rulebook for clarification.

11. Slide or Give Up Rule – A runner must slide or avoid contact at any base. The runner may not attempt to knock the ball from a fielder to prevent being called out. Any runner who initiates the contact will be automatically ejected. Also, no fielder may intentionally block a base to prevent the runner from reaching the base awarded to the runner.

14. Free Substitution – Any of the starting players may be withdrawn and re-entered once. Player must occupy same batting position, whenever he or she is in the lineup. Starting player and substitute may never be in the game at the same time. Penalty – Ejection of illegal substitute for the remainder of that game only.

Only the specified number of players will be allowed on defense depending upon division or league. (See “minimum/maximum number of players” for each league) Each inning the manager may change the defensive players at will without having to report to the umpire or scorer of the change...if the players are already in the lineup on the score sheet. The batting order cannot be changed for any reason. Additional players may be added at the end of the batting order. If there is no substitute, an automatic out (AO) will be invoked.

Once each team then has three (3) homeruns, the “one up” rule is in effect. One (1) additional homerun is permitted again until the opposing team hits a homerun. If there are more females than males present, females may bat consecutively without penalty.
- 7. Walks** – If the male batter walks, it is a 2-base award. The male will go directly to second base. Any runners that were on second or third will be forced in as indicated by what happens. The female must bat. In this case, the female is not awarded an automatic walk. suspension from all Bedford Parks and Recreation Department activities. Physical assault upon officials will not be tolerated and will be a basis for possible lifetime suspension from participation. Any team involved in such conduct will be disciplined severely. This could include suspension or expulsion from league play.

2. Casual profanity is defined as language which may offend others, however to a degree not deemed serious enough to warrant ejection. If in the official's judgment any player or manager uses casual profanity, he or she may invoke the following penalty:

A. If by an offensive player, the next batter due up will be called "out". If it occurs after the third out, the first batter if the next inning is called "out". A player may be called "out" for his/her own profanity if he is the next batter or already in the batter's box prior to putting the ball in play.

B. If by defensive player, the first batter of the next inning is called "out". This is a delayed dead ball situation and does not affect any play currently in progress. If a player is ejected for his/her profanity the above "out" is not enforced on the next batter.

3. Alcoholic beverages and/or drugs are strictly prohibited at all fields or facilities, including City and Metroparks property. This includes adjacent parking areas. Individuals who violate this rule will be suspended indefinitely. Game officials may deny any player the right to participate if the officials suspect that the player is under the influence of alcohol or drugs, for the safety of all concerned.

Players are responsible for their own actions. A player or manager may be ejected before, during or after any game. The ejected participant must leave the game site immediately. Any ejected player is ineligible and must sit out said number of games. Both the player and the manager are responsible that the player's name does not appear on the lineup during the suspension. The team causing the forfeit will be required to pay forfeit fee in addition to their game fees.

B. Before 5 (4 ½ Innings) If a forfeit is caused due to unsportsmanlike conduct BEFORE 5 innings (4 ½ if the home team is winning) or 30 minutes of play, the team causing the forfeit will be responsible to pay a forfeit fee plus the game fees for both teams.

The umpire is to review the weather situation at the end of the 30 minutes and is to determine if the dangerous weather is still in the area. If the bad weather has moved past the area, the contest may resume; however, if the bad weather is still in the area the contest may be suspended for another 30 minutes. If at the end of the second 30 minutes the dangerous weather continues, the game must be stopped and the teams directed to leave the playing area. If the game is stopped, the status of the game is dependent to the existing rules. For example, if the game were stopped in the 5th inning, by rule, it would be a complete game. If the contest is resumed, the playing time lost shall be added to the remaining game time.
