Utility Protection

Utility lines are an integral part of your home, and as your home ages, so do exterior utility lines such as water, sewer, gas and electric. Many homeowner insurance policies, local utility companies and private companies offer additional utility line protection plans at a minimal monthly cost. This may help cover the cost of repair bills. Check with your local utility company or insurance agent, to see what is available.

Kindergarten Registration

The Bedford City School District kindergarten registration is open for children in the district that will be turning 5 years old on or before August 1, 2022.

Parents will need to pre-register online for a face-to-face appointment with a District Registrar.

Visit www.bedford.k12.oh.us for more information.
