

CITY OF BEDFORD OHIO

Upcoming Project Information Broadway Avenue Resurfacing

The City of Bedford and Northeast Ohio Area Coordinating Agency (NOACA) have proposed a project that will include asphalt resurfacing of Broadway Avenue (SR-14) from the West Corporation line to just east of Forbes Road in Bedford, Cuyahoga County, Ohio. Additionally, the project will include upgrades to ADA curb ramps, pavement repairs, curb replacement, and replacement of traffic loop detectors, pavement markings, and signage. Construction is currently scheduled to begin in early 2023.

We welcome your questions and comments. Issues you may wish to comment on may include, but are not limited to, the effect of the project on local residents, air quality, the local economy, floodplains, and historic or cultural resources. Comments are requested by August 1st, 2022 to ensure your comments may be considered during project development.

Please be aware that, at this stage in the project development, it will not be possible to provide you with specific information regarding the timeline and traffic control zones. Once this information is available we will work to communicate it with you. For the most updated information, please visit www.bedfordoh.gov and the City's social media outlets.
