Adult & Family Swim\* 11:00 am-1:00 pm

Open Swim 1:00 pm -7:00 pm

*\*All minors must be accompanied by an adult in the facility*

*The City of Bedford, with partial funding from a grant through Cuyahoga County, is planning significant investment to the Bedford Municipal Pool including renovation of the existing pool house structure. This work is expected to take place at the conclusion of the 2022 swim season. The timing of funding will impact the project timeline. Therefore the 2022 close date is yet to be finalized as it may be impacted by the project. We will keep the community updated as more information becomes available.*

Learn-to-Swim  
We are pleased  
to announce  
the return of  
learn-to-swim  
lessons! See  
back of flyer for  
details!

### Learn-To-Swim Course Descriptions

Level 1 (swimmers ages 5 and older): Beginner swimmers work on gaining confidence in the water by using floatation devices to assist in movement, submerging their face in the water and basic floating. Safety emphasis is on wearing a life jacket when appropriate.

Level 2 (swimmers ages 5 and older): Beginner swimmers expand their confidence level in the water by swimming without floatation for 15 yards, submerging and retrieving an object from underwater and basic movement while on their back. Safety emphasis is on entering the pool appropriately.

Level 3 (swimmers ages 5 and older): Swimmers are introduced to freestyle stroke using rotary breathing and elementary backstroke with a flutter kick. This is the last level taught in the shallow sections of the pool. Safety emphasis is on swimming with a friend in a supervised area.

Level 4 (swimmers ages 5 and older): This is the first level taught in water where the swimmers cannot stand. Swimmers begin to build endurance while swimming the freestyle, and backstroke and side stroke are introduced. Swimmers learn how to dive into the deep water from the side. Safety emphasis is on when to call 911.

Level 5 (swimmers ages 5 and older): Swimmers continue to perfect freestyle and backstroke, while being introduced to the breaststroke. More endurance in both swimming and treading is built. Swimmers are introduced to diving. Safety emphasis is on what to do in an emergency.

Level 6 (swimmers ages 5 and older): Swimmers learn butterfly stroke, while perfecting breaststroke. Swimmers are also trained to pass the prerequisites for the lifeguarding course. In addition to building endurance, the safety emphasis is on knowing where to swim and dive.

### Tiny Tots Learn-To-Swim Course Description

Tiny Tots is a parent/child program for ages 2 - 4 (must be potty trained). The program is designed to be a fun parent/child experience to build confidence in the water and prepare children for future swim lessons.

### Learn-to-Swim Fees, Dates & Registration Information

The Bedford Municipal Pool Learn-to-Swim program is for children ages 5 and up, as well as Tiny Tot preparation classes for children ages 2-4 accompanied by a parent.

Resident \$40 (\$90 for 3 or more)  
Non-Resident \$60 (\$140 for 3 or more)
