Important Dates

- ◆ **New Year's – City Hall Closed**
January 2
- ◆ **Council Meeting**
January 3
8:00 p.m.
- ◆ **Martin Luther King Jr. Day– City Hall Closed**
January 16
- ◆ **Council Meeting**
January 17
8:00 p.m.

Martin Luther King Jr. Day

City Hall will be closed on Monday, January 16 in observance of Martin Luther King Jr. Day. There will be no change in refuse pick-up.

Snow Removal

When snow accumulation exceeds two inches, a parking ban is put into effect. No parking on any city streets. It is the property owner's responsibility to clear snow from the sidewalk.

Additionally, we request that residents clear fire hydrants in front of their homes. When having your driveway and sidewalks cleared of snow, all snow is to remain on your property.

Holiday Lights Display

The City of Bedford's Holiday Lights in the Historic District of Downtown Bedford will be on display until January 9, 2023.

Bedford Historical Society

Join the Bedford Historical Society for their January 13 Speaker Series with Mandy McIntyre, President of Level Up Consultants, as she talks about diversity and inclusion.

This event is free, including refreshments, and will be held in the Community Center at the Old Church on the Square at 7:00 p.m. Donations accepted

Come refresh your home at the Museum Store. Many new items to start your New Year out right. Store hours are Tuesday - Friday 10:00 a.m. - 2:00 p.m. and every second Saturday 10:00 a.m. - 2:00 p.m. Museum hours are Tuesday & Thursday 10:00 a.m. - 4:00 p.m.

For additional details call 440-232-0796.

CHECK YOUR WATER SERVICE LINE FOR LEAD

Water mains are not made of lead; however, the water service line that carries the water from the main in the street to your home could be. Homeowners' service lines may be made of lead, copper, galvanized steel, or plastic. Please assess your WATER service line where it enters your home, typically in the basement, near your water meter.

QUESTIONS?

Contact the City of Bedford Water Department at (440) 735-6588.

ACTION REQUIRED:

DETERMINE YOUR SERVICE LINE MATERIAL

YOU WILL NEED:

- Key or Coin
- Magnet

WHAT TO DO:

LEAD PIPE:

A magnet will not stick to lead pipe. If the scratched area is a shiny silver and flakes off, the service line is lead.

COPPER PIPE:

A magnet will not stick to copper pipe. If the scratched area is a copper color, like a penny, the service line is copper.

GALVANIZED PIPE:

A magnet will stick to galvanized pipe. A scratch test is not needed. If you do scratch the pipe, it will remain a dull gray.

FINAL STEP:

Scan the QR code above to record your assessment or visit bedfordoh.gov/service-line-material-survey
