

# BELMONT

ENGINEERING  
& STORMWATER

During and after a rain event, stormwater runoff goes down the storm drains untreated and into the nearest stream and river. Protecting our waterways is important. The volunteer storm drain labeling program is a great way to get involved by educating your community and neighborhood.

The program is ideal for HOAs/Neighborhood Groups, Scout Troops, Church Groups, 4H clubs, and school clubs looking for a community project.

KEEP IT CLEAN, WE ALL LIVE DOWNSTREAM

To get involved, contact the City of Belmont's Stormwater Coordinator at (704) 901-2076
