

STATE OF NORTH CAROLINA  
DEPARTMENT OF TRANSPORTATION

ROY COOPER  
GOVERNOR

J. ERIC BOYETTE  
SECRETARY

December 14, 2020

Shelley Dehart,

Per your request, the Department has reviewed the draft concept as presented to District, Division Project, and Roadway staff. The existing alignment of Eastwood Drive connects Armstrong Ford Road as a T intersection.

The proposed "Option A" alignment reverts this connection to a skewed intersection, which poses potential safety and sight distance issues. To keep proper alignment, other alternatives should be examined, including purchase of additional Right of Way from Parcel 195461, or relocation of transmission utilities.

Upon review, the Department of Transportation will not accept the draft concept re-alignment of Eastwood Drive received October 30<sup>th</sup>, 2020 by Kimley Horn.

Yours very truly,
