Oaks Commerce Open Forum Community Meeting

Major Development Plan #: 2022-04

Date: 9/12/2022 6:30 PM - 8:15 PM

Location: Centerview Baptist Church, 2300 Acme Road, Belmont, NC

Project Representatives:

Crow Holdings

Matt Cochrane

Nick Thornton

- Orsborn Engineering
 - o Lin Leslie
- City of Belmont
 - o Tiffany Faro

Attendance: 18 neighbors (see attached)

Introduction:

Crow Holdings opened the meeting with introductions and an overview of the project, noting it would be an approximately 470,000 SF distribution/light manufacturing facility that is accessed off Hickory Grove Road. Mr. Cochrane gave a general overview of the development area, property zoning status, views of the development from plan east, west, and north, and traffic improvements/recommendations.

Following the overview, Crow Holdings opened the floor for a question-and-answer session. Note the questions and responses are categorized.

- Traffic

- What improvements will be made to roads to address additional traffic from this project?

Crow Holdings noted the traffic generated based on the proposed use did not warrant improvements to roads in the immediate area. This question was brought up again later in the meeting and Crow Holdings noted the daily traffic counts provided in Kimley Horn's report (781 total trips for passenger cars and tractor trailers). Ms. Faro noted that if the end user's end results in more intensive counts, the transportation technical memorandum (TTM) will need to be revised.

- What is the source of the traffic information that was accounted for in the transportation technical memorandum?

Crow Holdings noted the TTM was commissioned by the City of Belmont and prepared by Kimley Horn (a national engineering firm). Crow Holdings noted that Kimley Horn took traffic counts to establish a baseline and used historical data to project new traffic counts resulting from the project.

- Will there be enough time for vehicles to turn out of the project and onto Hickory Grove Road?

Crow Holdings noted Kimley Horn took sight distances and speed limits into account when preparing their recommendations.

- How will this project impact improvements to the I-85 overpass at Hickory Grove Road?

Crow Holdings noted they did not have knowledge of how Oaks Commerce would impact NCDOT projects for the overpass. Ms. Faro commented the plans are currently in a public outreach period and noted information would be sent to participants who provided an email address.

How will tractor trailers be kept from parking on public streets?

Crow Holdings noted that tractor trailers cannot park on public streets and could be subject to fines for doing such. Crow Holdings agrees to post signage on what is currently shown as Oaks Crossing Lane (coming off Hickory Grove Road) stating there is no parking allowed.

How will tractor trailer traffic be mitigated?

Crow Holdings noted there are areas on the western side of the side and on the northern side of the site that allow for tractor trailer queuing. Crow Holdings will show an area where guard shacks could be placed and demonstrate tractor trailers queuing.

- How will traffic on the new public road be controlled?

Crow Holdings noted there will be a stop sign at the intersection of the new public road and Hickory Grove Road. Kimley Horn outlined the installation of a stop sign at the new road which will have one inbound, one outbound lane, and should provide a 100' internal stem. Kimley Horn did not call for additional improvements to Hickory Grove Road. Crow Holdings noted they would update building plans to show stop signs.

- Community Benefit

How will neighbors benefit?

Crow Holdings noted the project will create jobs for the community, add to Belmont's tax base to fund public projects, and provide better access to numerous families on Oak Street with a paved road.

Crow Holdings agreed to coordinate with Gaston County and the Crawford family on naming the new public road.

Crow Holdings noted there will be site lighting and the future tenant will have security systems in place that will deter loitering/dumping at the property.

Crow Holdings noted the stormwater management system will benefit neighbors who are currently experiencing runoff.

- Crow Holdings noted the development has been designed to preserve existing trees and streams to preserve the natural environment where possible. How do we know this project will be successful when there is an empty industrial park nearby (RiverWest)?

Crow Holdings noted there has been strong leasing activity throughout the Charlotte metro and vacancies are at an all-time low. Additionally, Crow Holdings noted that one of the two buildings referenced is fully leased but the tenants haven't taken occupancy.

- Additional Questions

- How has trash at the property been documented?

Crow Holdings noted there was both environmental and geotechnical testing performed at the site and trash was not of concern. Additionally, if there are areas with significant debris Crow Holdings and consultants will ensure the area is over-excavated so the development will be structurally sound.

- Will the railroad allow an at-grade crossing for the development?

Crow Holdings noted there has been correspondence with the railroad and while they would allow us to bore underneath the railroad to get utilities to the property, they would not permit an at-grade crossing.

- Can a bridge be built over the railroad?

Crow Holdings noted this would be prohibitively costly.

How will home values be impacted?

Crow Holdings noted this is an unknown given different factors that influence home pricing.

When is the project expected to break ground?

Crow Holdings noted there is an approval process with the City of Belmont for the project in addition to a permitting process but would hope the project could start before the end of the year. Ms. Faro noted there will be a planning board meeting in October to address the project.

- How will the project get access to water and sewer?

Crow Holdings has worked with engineers, landowners, and the railroad to design an extension from the back of The Oaks Commerce Center to the southwest corner of the property and Crow will fund the extension.

POST MEETING NOTES: Belmont is performing tests to quantify capacity of the utility lines. All utility extensions would be reviewed with the City's Water and Sewer Extension Policy (see "W&S Extension Policy Revised...." attachment).

How will soil/water issues be dealt with?

Crow Holdings noted no concerns were raised during the environmental study completed by ECS. . Crow Holdings will comply with local, state, and federal mandated practices and all site erosion control and grading activity will meet North Carolina Department of Environmental Quality (NCDEQ) requirements.

POST MEETING NOTES: The Hickory Grove Landfill is not located on the site.

- How will access be provided to Russell land given ROW on Oak Street?

Crow Holdings noted their title search and surveying did not indicate an access easement to the Russell property on Oak Street. Russell to work with the Gaston County Register of Deeds.

Project changes resulting from the community meeting:

- 1. Crow Holdings agrees to post signage on what is currently shown as Oaks Crossing Lane (coming off Hickory Grove Road) stating there is no parking allowed.
- 2. Crow Holdings will show an area where guard shacks could be placed and showing tractor trailers queuing.
- 3. Crow Holdings proposed coordinating with Gaston County and the Crawford family on naming the new public road.
