What is a Major Development Plan?

A major development plan is a development that requires a subdivision of land into eight (8) or more lots; individual building(s) exceeding 30,000 square feet in gross floor area; or, the subdivision of land into four (4) or more non-residential lots. The process creates the opportunity for the applicant, Planning Board, City Council, and the adjacent community to interact through conversation about the future development.

The documentation on the proposed project is available for viewing from 8:00 am until 5:00 pm, Monday – Friday at the Belmont Planning Department located at 1401 E. Catawba. The proposed site plan associated with this project is provided on the backside of this notice.
