City Council Report

At its November 12 meeting, the City Council approved the submittal of the second revision of the Belvedere Housing Element Update to the California Department of Housing and Urban Development (HCD). This revision responds to HCD's latest comments and includes edits from the Planning Commission and City Council. The update lays out prospective areas of development across the city and describes strategies to meet our state-mandated Regional Housing Needs Allocation (RHNA) goal of 160 new units by 2031. We expect to hear back from HCD in January 2025. A full copy of the [Housing Element Update](#) is available on the city website.

The City Council also appointed two Belvedere residents - Ruben Kalra and Keith Pagan - as new representatives to the Belvedere-Tiburon Joint Disaster Advisory Council, which leads efforts to improve disaster preparedness on the Peninsula. Outgoing member Jerry Butler was thanked for his nine years of dedicated service on this advisory council.

Get Ready Workshop – Wednesday, November 20

Preparing for a natural disaster is as easy as one, two, three, four.

- 1: Learn how to be ready for any emergency. Attend the Get Ready workshop presented by Belvedere-Tiburon Joint Disaster Advisory Council member Adam Brolan on Wednesday, November 20 from 5:30pm to 7:30pm at the Belvedere Community Center. Light snacks will be provided. For more information, contact Emergency Services Coordinator [Laurie Nilsen](#).
- 2: Sign up for [Alert Marin](#) to know what to do, and when to go or to stay.
- 3: Build a [Shelter-in-Place Kit](#). Store food, water, extra medication and supplies - be prepared to survive on your own for 5 to 7 days.

Help Us Choose Our Citizens of the Year

We need your help to choose Belvedere's 2024 Citizen of the Year and Citizen Emeritus. If so, we want to hear from you, so we can honor that person!

It's easy to submit a nomination - just visit the Belvedere website to access the [nomination form](#). But don't delay - the deadline is 4pm on Monday, November 25. Let's celebrate those who help our community thrive!

Tiburon Blvd. Traffic Study Workshop – December 3

As part of its ongoing effort to address congestion issues along Tiburon Boulevard, Trestle Glen and Paradise Drive, the Town of Tiburon is hosting a public workshop on Tuesday, December 3, from 6pm to 8pm at Town Hall, 1505 Tiburon Boulevard.

The workshop will include several informational stations where you can learn about the [Tiburon Transportation Study's](#) existing conditions findings and share your feedback. Traffic congestion affects all of us, so please take this opportunity to provide input on your transportation challenges and suggestions for potential solutions.

A community survey to be released in the coming weeks will offer another opportunity for you to provide your input on this important issue.
