even if the application is withdrawn or not approved. Reimbursable costs include but are not limited to all items within the scope of the City’s adopted Cost Recovery Program, as well as the cost of retaining professional and technical consultant services and any services necessary to perform functions related to review and processing of the applications and inspection of the work. Owner and Applicant understand that one or more deposits will be required to be paid by Owner and/or Applicant to cover the costs noted above at such time(s) and of such amounts as requested by the Community Development Director or designee. City agrees to review and process the application in accordance with this Agreement and all applicable laws, regulations, ordinances, standards and policies. This agreement applies to all subsequent applications related to the project.

Owner and Applicant understand and agree that nonpayment of processing and inspection fees pursuant to the City’s Cost Recovery Program may, at the sole and exclusive discretion of the Community Development Director, result in temporary or permanent cessation of processing of the application or inspection of the work and, after notice, may result in the denial of the application and/or order to cease work. Prior to completion of processing of any phase of the project, any and all outstanding amounts due pursuant to this agreement shall be paid. The Community Development Department will withhold issuance of further plan checks, entitlements, permits, certificates of occupancy, etc. until all required processing and inspection fees have been paid in full.

The applicant agrees to adhere to the following guidelines with respect to the billing of processing and inspection fees:

1. Non-receipt of invoices must be brought to our attention within 30 days of the date they are routinely received by your office.
2. Invoices presented without sufficient “backup” documentation shall be brought to our attention within 30 days of the receipt of invoice from the City.
3. Questions regarding specific charges that you believe may be questionable and/or incorrect must be brought to our attention no later than 30 days following receipt of your invoice and corresponding documentation.

Failure to comply with the aforementioned procedures within the specific times may, if research of billing information is requested, result in additional charges for clerical time spent and will be billed at our cost recovery rate. Please note that with the exception of documented disputed amounts, finance charges will be assessed at the rate of 12% per annum or 1% per month on all past due amounts.

In any legal action arising out of this Agreement, the prevailing party shall be entitled to recover its reasonable litigation expenses, including costs and attorneys' fees.

As part of this application, the Applicant agrees to defend, indemnify, release and hold harmless the City, its agents, offices, attorneys, employees, boards and commissions from any claim, action or proceeding brought against any of the foregoing individuals or entities ("indemnitees"), the purpose of which is to attack, set aside, void or annul the approval of this application or adoption of the environmental document which accompanies it. This indemnification shall include, but not be limited to, damages, costs, expenses, attorney fees or expert witness fees that may be asserted or incurred by any person or entity, including the Applicant, third parties and/or the indemnitees, arising out of or in connection with the approval of this application, whether or not there is concurrent, passive or active negligence on the part of the indemnitees.

Nothing in this agreement shall prohibit the City from participating in the defense of any claim, action or proceeding. In the event that the Applicant is required to defend the indemnitees in connection with any said claim, action or proceeding, the City shall retain the right to (i) approve the counsel to so defend the indemnitees, (ii) approve all significant decisions concerning the matter in which the defense is conducted, and (iii) approve any and all settlements, which approvals shall not be unreasonably withheld by the City.

The City shall also have the right not to participate in said defense, except that the City agrees to cooperate with the Applicant in the defense of said claim, action or proceeding. If the City chooses to have counsel of its own defend any claim, action or proceeding where the Applicant has already retained counsel to defend the City in such matters, the fees and expenses of the counsel selected by the City shall be paid by the City.

The Applicant also agrees to so indemnify the indemnitees for all costs incurred in additional investigation or study, or for supplementing, redrafting, revising or amending any document (e.g., the EIR, Specific Plan Amendment, Specific Plan, General Plan Amendment, Rezone, etc.) if such is made necessary by the claim, action or proceeding and if the Applicant desires approvals from the City which are conditioned on the approval of said

Applicant agrees to be jointly and severally liable with Owner for payment of all fees referenced above.
