

## News Alert

### Belvedere Housing Element: Community Meeting

The City of Belvedere will introduce the Revised 2023-2031 Housing Element to the community on **Thursday, November 9, 2023, 5:30-7:30 pm in the Community Center**. Please come!

The Revised Housing Element is now available for **public review**. In response to State comments on the initial draft, the plan lays out a path for meeting State mandates and integrating new housing in ways that are designed to preserve and enhance Belvedere's unique community. The City of Belvedere is required by law to plan for at least 160 new homes by 2031 and must develop programs and strategies, as well as rezone areas of the city to accommodate this allocation.

This meeting is intended to provide community members with an opportunity to review and comment on the Revised Draft's strategies and approaches to meeting Belvedere's housing needs. At several stations, participants can circulate to view displays outlining:

- Understanding the Housing Element
- Belvedere by the Numbers
- Unlocking the Potential of ADUs
- Vision for Mixed-Use Redevelopment
- Adding Capacity in Existing Multifamily Areas
- Advancing Housing Mobility and Other Strategies

The map below shows proposed locations for these housing strategies – this is a draft only. Your feedback will help the committee refine the locations, number of homes, and zoning changes.

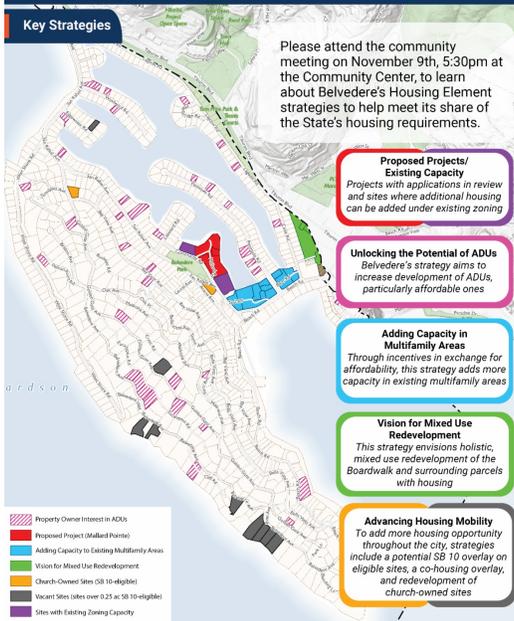

Community members are encouraged to share their thoughts with City staff and consultants. Written comment cards will also be available at the meeting.

Please [RSVP](#) to let us know you plan to attend.

To learn more about the project, please visit the [city's website](#) or email Rebecca Markwick at [rmarkwick@cityofbelvedere.org](mailto:rmarkwick@cityofbelvedere.org).

The next review of the Housing Element will be on November 21 at the Planning Commission Meeting.
