

News Alert

New Stop Sign on San Rafael Avenue

In order to improve traffic safety at the intersection of San Rafael Avenue, Laurel and Acacia Avenue, the city will be installing a new stop sign in front of City Hall, making the intersection an all-way stop. The new stop sign will be in place for vehicles in the west-bound lane on San Rafael Avenue on Monday, January 8, 2024. Temporary signs will be installed to warn drivers of the change. As with all stop signs, drivers must come to a complete halt and give way to any other vehicles already at the intersection. If you have any questions contact Chris Barry, Associate Engineer, at (415) 435-8903.
