Subject: Mt Pocono Bridge Display

Hi Lorie and Charlene,

I wanted to share an idea for updating the bridge display. Currently, it reads "Welcome to Mount Pocono" and "Thank You for Visiting," but we'd love to refresh it with a new coat of paint or updated wrap material. As part of the update, we're also hoping to incorporate our 100-year anniversary logo in celebration of the Borough's centennial in 2027.

I've copied our Council President, Norman Delano Jr., for awareness. When I previously mentioned this, we had a different president who has since resigned.

Please let us know what steps we need to take to move forward with updating the bridge display.
