The Pick Up the Poconos Spring Cleanup is just one component of the PMVB's "Pick Up the Poconos" campaign, which has resulted in nearly 46,000 bags of trash being picked up and properly disposed of.

Individuals and groups interested in participating can fill out the [Volunteer Form](#) or [Group Sign-Up Form](#) located at PickUpThePoconos.com. **The deadline to sign up is Friday, April 18, 2025, by 5:00 p.m.**

There are 20+ locations across Wayne, Pike, Monroe, and Carbon counties for volunteers to choose from. There are also private cleanups led by community groups, businesses, and Pocono resorts happening in conjunction with this initiative. Volunteers will receive supply kits on the day of the cleanup consisting of trash bags, gloves, safety vests, and other supplies. The [Monroe County Municipal Waste Management Authority](#) plays a large role in coordinating the cleanup, distributing supplies, and properly disposing of the collected litter.

"Those who call the Pocono Mountains home feel passionate about keeping their communities clean and green," said Chris Barrett, President/CEO, Pocono Mountains Visitors Bureau. "We are thankful for the thousands of volunteers who have, over the years, taken time to participate in Pick Up the Poconos. Their efforts contribute to the Pocono Mountains being a great place to live, learn, work, and play."

The Pick Up the Poconos campaign also includes [Pocono 3C](#), an innovative program involving multiple key partners that gives a hand up to individuals who are homeless, or at risk of becoming homeless, by employing them to clean litter from Monroe County roadways. The PMVB also contracts with Adopt-A-Highway Litter Removal Service of America, Inc. to clean major highways and entrance/exit ramps throughout the year.

Please help spread the word about the April 26th cleanup by sharing the event on [Facebook](#) ([HERE](#)). For resources and safety tips about picking up litter, visit PickUpThePoconos.com.
