

United States Department of Agriculture

## FACT SHEET

November 2018

### Fire Recovery Assistance from the U.S. Department of Agriculture

The U.S. Department of Agriculture (USDA) has multiple agencies that provide financial and/or technical assistance to help farmers, ranchers and rural landowners recover from natural disasters, such as wildfires. Listed below are USDA agencies and an overview of applicable programs. Funding for some programs are contingent on the on the annual enactment of Congressional appropriations legislation.

#### Farm Service Agency (FSA)

- Livestock Incentives Program (LIP): Compensates producers for livestock death due to natural disasters. Compensation is based on roughly 75percent of the national average price of the livestock by type and age. Report losses within 30 days.
- Emergency Livestock Assistance Program (ELAP): Compensates producers for a percentage of the pasture or forage loss on private lands due to natural disasters. Payments are subject to a national payment factor. Report losses within 30 days.
- Livestock Forage Disaster Program: Compensates producers who suffer pasture or forage loss due to drought or who have federally managed grazing leases but are not allowed to graze the lease because of wildfire. Report losses within 30 days.
- Emergency Loans – low interest loans to replace farm and ranch buildings and structures, make repairs or replace livestock or feed. Must meet disaster/emergency criteria.
- Emergency Conservation Program (ECP). The Farm Service Agency covers a portion of the cost to replace fence or other conservation practices. This program is contingent on funding available.
- Emergency Forest Restoration Program (EFRP): Provides payments to nonindustrial private forest land owners for emergency measures to restore land damaged by a natural disaster. This program is contingent on funding available.
- Tree Assistance Program: Provides financial assistance to replant or rehabilitate eligible trees, bushes and vines damaged by natural disasters. Forests are not eligible.
- Non-Insured Crop Disaster Assistance Program (NAP): Provides compensation to producers who grow uninsurable crops and have purchased NAP coverage by the crop signup dates.

- To find your local FSA county office, visit <http://offices.usda.gov>

#### Risk Management Agency (RMA)

Provides insurance to farmers and ranchers who have previously enrolled in the subsidized multi-peril crop and livestock insurance programs.

## Natural Resources Conservation Service (NRCS)

- The Environmental Quality Incentives Program (EQIP) may be able to pay on grazing lands if producers agree to defer grazing on damaged land for 2 years. An application period will be announced in the near future.
- The NRCS Emergency Watershed Protection (EWP) Program may be able to provide financial assistance where a fire has created a situation where excessive soil erosion could occur from a rain event creating a threat to life and improved property. General Requirements:
  - Eminent threat to life and property.
  - Local sponsor is willing and able to represent the local community.
  - Must be demonstrated that all local financial resources have been utilized.

## Rural Development (RD)

- Single Family Housing - Direct low income Home Ownership Loans, Home Ownership Loan Guarantees, and Direct Home Repair loans and grants. Those whose property was destroyed, was severely damaged, or who have been displaced from a rental unit by the fire may receive priority hardship application processing.
- Multi-Family Housing – If a property was destroyed by the fire, Rural Development can issue a priority letter for next available Multi-Family Housing unit to affected residents. This is available only if a disaster is declared.
- Community Facilities – low interest loans for essential community facilities, such as fire equipment, community centers, city vehicles, food banks, day care facilities, etc.
- Water Environmental Programs – low interest loans for water and waste disposal systems and facilities including buildings, equipment, wells and pipe.
- Business & Cooperative Programs - business loans through intermediaries and guaranteed business loans.
- Electric - low interest loans to rural utilities to finance electric infrastructure. Eligible entities would qualify for expedited loan processing.
