SBA to Open Business Recovery Center in Chico to Help Businesses Impacted by the Wildfires

SACRAMENTO, Calif. – The U.S. Small Business Administration today announced the opening of an SBA Business Recovery Center in Chico to provide a wide range of services to businesses impacted by the wildfires that began Nov. 8, 2018. The center will open at 9 a.m. on Friday, Nov. 16.

“Due to the severe property damage and economic losses wildfires inflicted on California businesses, we want to provide every available service to help get them back on their feet,” said SBA’s Director Tanya N. Garfield of the U.S. Small Business Administration’s Disaster Field Operations Center-West.

“At the center SBA customer service representatives will meet with each business owner to explain how an SBA disaster loan can help finance their recovery. They will answer questions about SBA’s disaster loan program, explain the application process and help each business owner apply online,” Garfield said. No appointment is necessary.
