Paradise including a go-to guide for the rebuilding process to help residents and contractors. Under the Rebuild tab, you'll find a handy checklist designed to walk you through the steps required for permitting throughout the building process. It's available online and you can download and print for easy reference.

Patients must register for services the day before they intend to come (Friday morning registration for Saturday, Saturday morning for Sunday). We encourage Camp Fire survivors to attend. It is from 7am-5pm on both days.

The clinic is being offered by California CareForce, a non-profit that has been doing these clinics around California for the last nine years. This is the first time they've been to Butte County. To register, please visit <https://www.californiacareforce.org/patients/chico/>

Weekly Q&A:

**Q: Can we have some sort of outlined plan or proposed schedule of what the PG&E settlement for the Town of Paradise is going to be?**

At this time we do not know when the PG&E bankruptcy will be settled or when a settlement would be released. At a future date, the Town Council will discuss how to reinvest the

funds to ensure long-term operational funding for the Town. This settlement is not a part of individual claims against PG&E.

**Q: An update on the status of having an ambulance in town.**

Currently, there is an ambulance available in town during daytime hours. Once a facility is established there will be an ambulance 24 hours a day.

**Q: Update on grant applications submitted by TOP (Cal Home, FEMA, etc.) for dead trees?**

The Town has submitted a request letter to FEMA concerning a Right of Entry program for dead trees and is awaiting a response, we should be hearing back very soon.
