	Manage Wastewater and stormwater	X	X	X	X		X	X

CARNATION ADAPTS AND SEEKS SUSTAINABILITY, RESILIENCY AND CIRCULAR ECONOMY BY ADOPTING HIGHEST AND BEST GREEN PRACTICES

for example, council will adopt a canopy/tree city/tree policy following the lead of an advocay group. Tha policy is part of this POLICY LOGIC MODEL. The operational side of the policy will include treatment of public trees for example. It is not a limitation it is an element. in 2026, the city may choose to include treatment of private trees. the HOW staff implements these policies include municipal code, budget, standards, educaiton, etc.
