SUMMARY STATEMENT AND DISCUSSION:

The two definitions for “alley” provided in the City’s development regulations are currently inconsistent and must be aligned. The proposed definition is as follows:

"Alley" is a public or private way, at the rear or side of property, permanently reserved as a means of vehicular or pedestrian access to a property.

RECOMMENDED ACTION: I move to set a public hearing for March 7, 2023 for the Planning Commission’s definition of Alley.
