**ANGELA V. - SENIOR RECREATION LEADER
COLMA EMPLOYEE - FOUR YEARS**

Why did you want to work with the Town of Colma?

I wanted to work with the Town of Colma because I have a passion for working with kids and I grew up basically in Colma. I wanted to connect myself with the community and let my creativity thrive within this role.

What is your favorite part about working here?

My favorite parts are the camps, there's a lot of different kids with different personalities, and it's a joy getting to know each and everyone of them.

When you're not at work, what are some things you like to do?

Outside of work, I like to play video games, reading on my kindle, binge watching shows, and crocheting.

What are your plans for the future?

I am in the process of getting my Associates in Communications, Studio Arts and Journalism. I wish to transfer to a 4-year college.

What is your best tip for health and wellness?

Appreciate the small, everyday blessings. By focusing on the positives, you open yourself up for more good things to come along.

Fun Fact:

I can hand draw a minion based on memory.
