Program Details

Details of the rebate program are as follows:

1. Only one Town resident per residential parcel or residential unit is eligible for the rebate program. The Department of Public Works will track the residential parcels or units associated with a rebate request.
2. The overall program will total \$25,000 in available funding and will be split between two fiscal years (2014-15 and 2015-16), with \$5,000 allocated to FY 2014-15 and \$20,000 in FY 2015-16.
3. One Town resident per residential parcel or residential unit is eligible for up to a 25 percent rebate of the Purchase Price for qualifying purchases. The total allowable rebate amount per parcel or unit is \$500. The Purchase Price is the price paid for the qualifying purchase, excluding sales tax, minus any reduction in the price as a result of the application of any other rebates as determined by the Town.
4. Qualified purchases must meet the following criteria:
 - a. Must be items that provide for water savings, such as high efficiency appliances (laundry machines, dishwashers, etc.), low-flow toilets, shower heads, etc. Eligible appliances and toilets must be on the San Francisco Water District's rebate list found under the Rebates and Incentives tab at www.sfwater.org.
 - b. Items must be purchased within the Town of Colma. A valid receipt is required for all rebates.
 - c. The rebate is for purchased goods only (not labor-related costs).
5. The Town reserves the right to deny an application if it is inconsistent with the Program

By participating in this rebate program, the property owner or purchaser has acknowledged that the fixture or purchased items has been installed on a residential property within the Town of Colma. If this is found not to be the case, the rebate shall be forfeited and returned to the Town.
