

CHAPTER THREE – PERSONNEL POLICIES

SUBCHAPTER 3.04 – COMPLAINTS, GRIEVANCES AND DISCIPLINARY MATTERS

Division 1: General

3.04.010 Summary of Procedures for Submitting Complaints or Grievances

(a) *Introduction.* This section summarizes the procedures set forth in this Subchapter. These procedures are designed to encourage resolution of employee concerns in a fair and speedy manner at the lowest level possible, while protecting the rights of all persons involved. This is a summary only; in case of any inconsistencies between this section and other provisions of this Subchapter, such other provisions shall prevail.

(b) *Change in Pay, Hours or Other Conditions of Employment.* The terms and conditions of employment, such as salaries, are set by the City Council and can only be changed by the City Council.

- (1) An employee not represented by a collective bargaining agent who wishes the City Council to consider a pay raise, a change in the number of hours or any other change in the terms and conditions of employment, must follow the following process:
 - (A) The employee should meet with his or her supervisor regarding the request and the reasons for the proposed change. The supervisor is required to communicate the request to the City Manager.
 - (B) Upon receipt of the supervisor's report, the City Manager may prepare and forward recommendations to the City Council.
 - (C) The City Council has the sole and absolute discretion to grant or deny any pay raises or other similar change.
- (2) Employees represented by a Recognized Employee Organization, such as the Police Officers Association, are required to negotiate through their agent.

(c) *Misconduct, Harassment or Discrimination.* If an employee (reporting employee) believes that another employee or supervisor has committed an act of misconduct, harassment or discrimination against an employee, then the following procedures will apply:

- (1) The reporting employee should report the matter to a supervisor, the City Manager, the Human Resources Manager, or the Chief of Police. The reporting employee does not have to follow the normal Chain of Command.
- (2) The person receiving the report must take appropriate action, which may include reporting the matter to the City Manager or another person in a position to take action, and conducting an informal or formal investigation. The report will be kept confidential, to the extent possible. However, if disciplinary action is taken

against the alleged perpetrator, the reporting employee may be requested to testify in an appeal hearing in order for the Town to impose discipline on that person.

- (3) In the event a complaint is sustained, discipline may be imposed on the alleged perpetrator pursuant to the procedures set forth in this Subchapter.
- (4) The person receiving the complaint shall advise the reporting employee of the final disposition. However, privacy rights may preclude the Town from publicly announcing specific disciplinary actions.

(d) *Grievances*. If an employee believes that a specific written departmental or Town rule or regulation or specific provision of a Memorandum of Understanding has been violated, misinterpreted, or misapplied, the employee ("grievant") may file a "grievance." The procedures set forth in Division 3 of this Subchapter govern the handling of grievances. Some examples of matters that may be "grieved" are: a belief that job assignments were made on the basis of favoritism or discrimination; a belief that an employee has accrued more sick leave or vacation leave than is shown on the Town's records; and a complaint that the Town is not following its own rules or policies in administering a certain program.

Division 2: Harassment or Discrimination

3.04.060 Disposition of Harassment or Discrimination Complaints

(a) *Policy.* It is the policy of the Town of Colma to immediately conduct a thorough, objective and complete investigation of each complaint of harassment and discrimination; to attempt to determine whether unlawful conduct has occurred; and to take remedial action, if appropriate. In appropriate cases, the City Manager may order the investigation to be conducted by a person other than a Town employee.

(b) *Initial Complaint.* An employee or job applicant who believes he or she has been harassed or discriminated against may make a complaint orally or in writing to any of the following, without following the Chain of Command: the Human Resources Manager; the Department Director; the Assistant City Manager; or the City Manager.

(c) *Confidentiality.* A complaint may be made anonymously, and every reasonable effort will be made to protect the confidentiality of the complainant. The complainant's identity, however, may have to be disclosed if the investigation reveals the potential for formal disciplinary action or criminal prosecution.

(d) *Notifications.* Anyone who receives a complaint should immediately notify the City Manager (or, the Assistant City Manager if the City Manager has allegedly committed or permitted the harassment or discrimination) and the City Attorney.

(e) *Documentation.* Each person receiving or investigating a complaint shall document all reports and actions taken.

(f) *Investigation.* Upon receipt of a complaint of harassment, retaliation, or discrimination, the City Manager and/or the Human Resources Manager shall ensure that a prompt and thorough investigation is conducted. Any investigation of a peace officer must comply with the requirements of the Public Safety Officers' Procedural Bill of Rights Act.

(g) *Determination and Report.* Upon completion of an investigation, the Appropriate Department Director shall, in consultation with the City Manager and/or the Human Resources Manager:

- (1) Make a determination whether the alleged conduct constitutes harassment, discrimination, or other misconduct within the meaning of Town policy, after giving consideration to all factual information, the totality of the circumstances, including the nature of the verbal, physical, visual or sexual conduct and the context in which the alleged incidents occurred; and
- (2) Through the Human Resources Manager, report the results of the investigation (i.e., "merit," "no merit," or "inconclusive") to the appropriate persons, including the complainant and the alleged harasser, other management-level employees will be informed of necessary information on a need-to-know basis ; and
- (3) Timely close the investigation.

(h) *Disciplinary Action.* If harassment, discrimination, or other misconduct is found to have occurred, the Appropriate Department Director shall take or recommend to the City Manager to take prompt and effective remedial action against the harasser. The action will be commensurate with the severity of the offense.

(i) *Protection.* The Appropriate Department Director shall take all reasonable steps to protect the victim from retaliation and from further harassment or discrimination, if sustained. The Appropriate Department Director shall also take all reasonable steps to protect any witnesses or participants in the investigation from retaliation.

(j) *DFEH Complaint.* Because it is the goal of the Town to identify and prevent harassing and/or discriminating behavior, if problems or concerns arise, the affected employee is urged to make use of the process set forth above. However, any employee has a right to go directly to the appropriate government agency, including the California Department of Fair Employment and Housing.

Division 3: Grievances

3.04.070 Grievances, Scope

- (a) Strict adherence to the procedures outlined below is mandatory. Time limits may only be extended by the City Manager upon a showing of good cause.
- (b) The grievance procedure is not intended to be used, and shall not be used to:
 - (1) Resolve a complaint of misconduct;
 - (2) Request a change in wages, hours or working conditions;
 - (3) Challenge the content of employee evaluations or performance reviews;
 - (4) Challenge a reclassification, layoff, transfer, denial of reinstatement or denial of a step or merit increase; or
 - (5) Appeal or otherwise challenge a reduction in pay, demotion, suspension, termination, or other form of disciplinary action.

3.04.080 Representation in Grievance Matters

- (a) The grievant may be represented by an Employee's Representative. The grievant must inform the Department Director within a reasonable time prior to the grievance meeting of the name and contact information of the person, if any, who will represent the employee at the grievance meeting.
 - (1) If the representative is a fellow employee and the meeting or hearing is expected to be completed in one hour or less, the Employee's Representative may take paid, on-duty time to attend the hearing, provided the grievant acknowledges and agrees that the on-duty Employee's Representative's primary obligations shall be calls for service and if the on-duty Employee's Representative is called away, the meeting or hearing may proceed without the presence of the Employee's Representative.
 - (2) In all other cases, if the representative is a fellow employee, the Employee's Representative will receive unpaid time off from his or her work assignment for the time of the grievance meeting or hearing and reasonable travel time.
- (b) Any employee may present a grievance without the involvement of a representative. However, the Town shall not consider a grievance of an alleged violation of a Memorandum of Understanding or a negotiated rule until the employee filing the grievance has given his or her bargaining unit a copy of the grievance, and the bargaining unit has been given the opportunity to respond.

3.04.090 Grievance Procedure

- (a) *Reporting.* A grievant shall first present the grievance to his or her immediate supervisor within seven calendar days after the grievant knew, or reasonably should have

known, of the circumstances which form the basis for the grievance. Failure to do so will render the grievance null and void.

(b) *Informal Conference.* Within seven calendar days after the presentation of the grievance, the immediate supervisor shall investigate the grievance, document the investigation, and attempt to resolve the matter. At least one conference, either personal or by phone, shall be held between the grievant and the immediate supervisor. At the conclusion of the informal conference, the supervisor shall advise the grievant of his or her right to present a formal grievance to the next supervisory level.

(c) *Formal Submittal of Grievance.* If the grievance is not resolved during the informal conference and the grievant wishes to pursue the matter, the grievant may present a formal grievance to the Appropriate Department Director within seven days after the decision by the immediate supervisor. A formal grievance must be in writing and must set forth the following information:

- (1) The specific written departmental or Town rule or regulation or specific provision of a Memorandum of Understanding allegedly violated, misinterpreted or misapplied;
- (2) The specific act or omission which gave rise to this alleged violation, misinterpretation or misapplication;
- (3) The date or dates on which the violation, misinterpretation or misapplication occurred; and
- (4) The identity of each document, witness or other evidence supporting the grievant's position.

(d) *Decision.* The Department Director shall communicate his or her decision to the grievant in writing within 14 days after receiving the grievance, unless an extension has been granted in writing by the City Manager. Prior to rendering a decision, the Department Director may, in his or her discretion, hold a conference with the employee.

(e) *Appeals.* If the Appropriate Department Director does not respond within the time limits or if the grievant is not satisfied with the decision of the immediate supervisor, the grievant may appeal to the City Manager. An appeal to the City Manager must be in writing, and must be delivered to the City Manager within seven calendar days after the decision of the Appropriate Department Director is due or rendered. Prior to rendering a decision, the City Manager may, in his or her discretion, may hold a conference with the employee. The decision of the City Manager shall be final.

Division 4: Disciplinary Procedures

3.04.100 Disciplinary Action

(a) Regular employees shall be subject to disciplinary action for cause in accordance with the procedures set forth in this Division.

(b) All other employees of the Town may be subject to disciplinary action, at the discretion of the Appropriate Department Director with concurrence from the City Manager. The remaining provisions of this Subchapter shall not be applicable to employees who are not regular employees of the Town. Nothing herein shall prevent the Appropriate Department Director, with concurrence of the City Manager, from terminating an at-will employee without cause and without progressive discipline.

(c) This Division shall not be applicable to an employee challenging a rescission of his or her promotion while the employee is on promotional probation, except where the rescission is accompanied by termination, demotion to below the classification held immediately prior to the promotion, or suspension for up to 60 days.

3.04.110 Types of Disciplinary Action

The grounds for disciplinary action are set forth elsewhere in this Chapter and include unsatisfactory job performance and misconduct. The following types of disciplinary action may be imposed:

- (1) *Termination.* Involuntary discharge from Town employment.
- (2) *Demotion.* Reduction to a classification having lesser responsibilities and duties and a lower maximum salary.
- (3) *Reduction in pay (step within range).* Withdrawal of step advancements granted for merit, efficiency and length of service. Withdrawal of step advancements may be temporary or permanent.
- (4) *Suspension without pay.* Suspension from duty without pay for up to 60 days. An employee who is suspended shall forfeit all rights, privileges and salary, during the period of suspension, but shall not forfeit health and welfare benefits or retirement benefits.

3.04.120 Oral Reprimand

(a) An oral reprimand may be used by a supervisor to warn or caution an employee. An oral reprimand may be considered as relevant evidence in any hearing resulting from subsequent disciplinary action.

(b) The oral reprimand may be recorded in writing and placed in the employee's personnel file provided that the provisions relating to written reprimands in section 3.04.130 are followed.

(c) The procedures set forth in this Division for imposing or appealing disciplinary actions shall not apply to oral reprimands.

3.04.130 Written Reprimand

(a) A written reprimand is an official notification to the employee that there is cause for dissatisfaction with the employee's performance or conduct and that further disciplinary measures may be taken if that cause is not corrected.

(b) Written reprimands shall be made a part of the employee's personnel file and may be considered as relevant evidence in any hearing resulting from subsequent disciplinary action. However, an employee may attach a written rebuttal statement to the written reprimand within 30 calendar days of the issuance of the written reprimand. Three years after the date of a written reprimand, the employee may request that the reprimand be removed from his or her personnel file. The request shall be directed to the Department Director who shall have sole and absolute discretion to grant or deny the request. In exercising his or her discretion, the Department Director may consider the presence or absence of any other disciplinary actions in the intervening three years as well the underlying conduct for which the reprimand was issued.

(c) The procedures set forth in this Division for imposing or appealing disciplinary actions shall not apply to written reprimands except that a public safety officer may, within 30 days after receiving a written reprimand, file a written response.

3.04.140 Right to Representation

(a) At any step in the disciplinary process described in sections 3.04.150 through 3.04.280, the employee shall have the right to represent himself or herself, or to designate an Employee's Representative to represent him or her.

(b) The employee must inform his or her Department Director, within a reasonable time prior to the disciplinary meeting, of the name and contact information of the person, if any, who will represent the employee at a disciplinary meeting or a meeting that may lead to discipline.

(1) If the representative is a Town employee and the meeting or hearing is expected to be completed in one hour or less, the employee's representative may take paid, on-duty time to attend the hearing, provided the employee acknowledges and agrees that the on-duty employee's representative's primary obligations shall be calls for service, and if the on-duty employee's representative is called away, the meeting or hearing may proceed without the presence of the employee's representative.

(2) In all other cases, if the representative is a Town employee, the employee's representative will receive unpaid time off from his or her work assignment for the time of the disciplinary meeting, a meeting that may lead to discipline or a hearing, and reasonable travel time.

3.04.150 Authority to Impose Disciplinary Action

(a) With respect to all employees under the supervision of the Chief of Police, the Chief of Police shall have the authority to issue the Notice of Intent to Take Disciplinary Action described in this Subchapter, to conduct the informal conference described in this Subchapter and to make the final decision to impose disciplinary action, or to delegate to another employee, the authority to perform any or all of those functions.

(b) With respect to all other employees, the City Manager shall have the authority to issue the Notice of Intent to Take Disciplinary Action described in this Subchapter, to conduct the informal conference described in this Subchapter and to make the final decision to impose

disciplinary action, or to delegate to another employee the authority to perform any or all those functions.

3.04.160 Notice of Intent to Take Disciplinary Action

(a) Where the proposed discipline is termination, demotion, reduction in pay, or suspension without pay, the employee shall be provided written notice of the following prior to the imposition of discipline:

- (1) A statement of the proposed disciplinary action to be taken against the employee and the proposed effective date;
- (2) A statement of the facts upon which the disciplinary action is based;
- (3) A statement indicating the cause(s) for disciplinary action;
- (4) A statement advising the employee of the right to respond, either orally or in writing, to the authority initially proposing the disciplinary action at an informal conference; and
- (5) A copy of, or access to, the materials upon which the disciplinary action is based.

(b) The above written notice shall be served upon the employee either personally or by certified mail, return receipt requested, and addressed to the last known address of the employee.

(c) A notice of intent and the procedures set forth below do not apply if the disciplinary action taken is an oral or written reprimand.

3.04.170 Informal Conference on a Disciplinary Matter

The employee shall be given at least seven calendar days to respond orally or in writing to the Notice of Intent to Take Disciplinary Action and to request an informal conference. If the employee requests an informal conference, the person designated in section 3.04.150 shall meet with the employee in an informal conference to provide the employee an opportunity to present his or her oral response. The informal conference shall be non-evidentiary. Because the conference is informal, witnesses are generally not permitted. However, the employee may convey all information supporting his or her case without regard for the rules of evidence.

3.04.180 Final Notice of Disciplinary Action

(a) Within 15 calendar days after the informal conference, the person designated to take final action shall:

- (1) Dismiss the Notice of Intent and take no disciplinary action against the employee; or

- (c) The above written notice shall be served upon the employee either personally or by certified mail, return receipt requested, and addressed to the last known address of the employee.

Division 5: Appeals

3.04.190 Appeal from Final Notice of Disciplinary Action

- (a) Within 15 calendar days after a Final Notice of Disciplinary Action is personally served on the employee, or 20 calendar days after a Final Notice of Disciplinary Action is served by mail as provided above, an employee may appeal a termination, demotion, reduction in pay, or suspension without pay, by filing a Notice of Appeal with the City Manager. The Notice of Appeal must be in writing signed by the employee ("appellant") or the Employee's Representative and must state the grounds for the appeal.
- (b) The appeal will be dismissed if the Notice of Appeal is not filed on time. An appeal is considered filed when it is actually delivered to the City Manager.
- (c) The effective date of the disciplinary action shall be determined by the person imposing the discipline.
- (d) An appeal by the employee shall not stay imposition of the disciplinary action, except that the City Manager may, within his or her sole discretion, stay a suspension pending the appeal.
- (e) An appeal is an evidentiary hearing.

3.04.200 Selection of Hearing Officer

The City Manager shall, within 30 days of receipt of a timely Notice of Appeal, give written notice to the appellant that a Hearing Officer shall be selected, and the parties will meet and confer to select one person mutually agreeable to both sides. If the Town and the appellant cannot agree upon a Hearing Officer within 15 days of such notice, then the City Manager may request the State Office of Administrative Hearings to select an administrative law judge to hear the appeal. The Hearing Officer shall determine all questions of fact, and the decision of the Hearing Officer shall be final and binding.

3.04.210 Appeals by Public Safety Officers

(a) An appeal by a public safety officer from an order of disciplinary action that includes termination, suspension for more than 14 days, or demotion shall be heard by a Hearing Officer who shall be selected in accordance with section 3.04.200.

(b) An appeal by a public safety officer from an order of disciplinary action that does not include punishment consisting of termination, suspension for more than 14 days, or demotion, shall be heard by the City Manager.

3.04.220 Appeals by Miscellaneous Employees

a) An appeal by a miscellaneous employee from an order of disciplinary action that includes termination, suspension for more than 14 days, or demotion shall be heard by a Hearing Officer who shall be selected in accordance with section 3.04.200.

(b) An appeal by a miscellaneous employee from an order of disciplinary action that does not include punishment consisting of termination, suspension for more than 14 days, or demotion, shall be heard by the City Manager unless the City Manager issued the Notice of Intent to Take Disciplinary Action described in this Subchapter, conducted the informal conference described this Subchapter or made the final decision to impose disciplinary action, in which case, the appeal shall be heard by a Hearing Officer selected by the County of San Mateo.

3.04.230 Notice of Hearing

The City Manager shall promptly notify the appellant in writing of the date, time, and place of the hearing. The notice shall be served on the appellant by personal delivery or by first class mail, postage prepaid, to the last known address of the appellant, not less than 15 days before the commencement of the hearing.

3.04.240 Subpoenas

(a) The Mayor, under the authority of the City Council, and at his/her sole discretion, shall issue subpoenas at the request of either party made at least ten calendar days prior to the commencement of the hearing. The request shall be in writing and shall include the identity of the witness or documents to be subpoenaed and shall briefly indicate the nature and relevancy of the testimony or contents.

(b) The party requesting the subpoena shall be responsible for its service and shall serve it a reasonable time before the hearing.

3.04.250 Pre-Hearing Disclosures

Seven calendar days prior to the date set for the hearing, each party shall serve upon the other party a list of all witnesses and a copy of all exhibits. The Town's exhibits shall be designated by number. The appellant's or association's exhibits shall be designated by alphabetical letter.

3.04.260 Impartiality

- (a) The Hearing Officer may not be demonstrably biased for or against the appellant or the Town, or have a material personal or financial interest in the matter.
- (b) In order to preserve impartiality, the Hearing Officer may not communicate with a party on the merits of a contested matter without giving notice to the other party and affording the other party an opportunity to participate.

3.04.270 Conduct of Hearing

- (a) All hearings shall be closed.
- (b) The hearing shall proceed in the following order unless the Hearing Officer directs otherwise:
 - (1) Opening statement by the Town;
 - (2) Opening statement by the appellant;
 - (3) Evidence by the Town;
 - (4) Evidence by the appellant;
 - (5) Rebuttal evidence by the Town;
 - (6) Oral argument by the Town;
 - (7) Oral argument by the appellant; and
 - (8) Rebuttal argument by the Town.
- (c) Oral evidence shall be taken only on oath or affirmation.
- (d) Each party shall have the right to be represented by an attorney; to call and examine witnesses; to introduce exhibits; to cross-examine the other party's witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him or her to testify; and to rebut the evidence against him or her. If the appellant does not testify in his or her own behalf, he or she may be called and examined as if under cross-examination.
- (e) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted, if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection on civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded. Evidence of prior

misconduct of the appellant is relevant and admissible. All objections to the admission of evidence must be made at the time said evidence is presented or such objection shall be deemed waived.

(f) A record must be made, at the Town's expense, to preserve the matter for judicial review. The City Clerk shall determine whether the record shall be made by stenographer or audio tape. A written copy of the record shall be provided to the appellant without charge provided that, if the record was an audiotape, the appellant shall bear the cost of transcribing the tape recording into a printed record and shall provide the Town with a printed copy of the transcribed record. The record shall include each and every piece of documentary or real evidence admitted.

(g) During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing upon motion of either party.

(h) No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing.

(i) The Hearing Officer may grant a continuance for any reason he or she believes to be important to reaching a fair and proper decision.

[Reference: GOV'T CODE § 54957]

3.04.280 Decision on Appeal

After hearing all evidence and argument, the Hearing Officer shall render a written Statement of Decision which shall include a finding as to each charge (sustained, not sustained, or exonerated); a statement of the nature of the discipline approved, if any; and a general explanation of the factual basis for the decision. All findings and conclusions that sustain the charges made shall be proved by a preponderance of the evidence. The Hearing Officer shall render his or her Statement of Decision as soon after the conclusion of the hearing as possible, but no later than 30 calendar days after conducting the hearing, unless otherwise stipulated by the parties.

Division 6: POBR

3.04.290 Public Safety Officers' Procedural Bill of Rights

Nothing in this Subchapter shall be construed to deprive a public safety officer of any right guaranteed by the Public Safety Officers' Procedural Bill of Rights Act (California Government Code sections 3300 et seq.).
