6.03.080 Application of Regulations.

All trucks within the city shall be operated only over and along the truck routes established in section 6.322 and on the other designated streets over which truck travel is permitted.

- (a) *Operation on Street of Destination.* The operation of trucks upon any street where necessary to the conduct of business at a destination point, provided streets upon which such traffic is permitted are used until reaching the intersection nearest the destination point.
- (b) *Emergency Vehicles.* The operation of emergency vehicles upon any street in the city.
- (c) *Public Utilities.* The operation of any vehicles owned by a public utility or a licensed contractor, while necessarily in use in the construction, installation or repair of any public utility or the repair, maintenance or construction of streets or street improvements within the city.
- (d) *Detoured Trucks.* The operation of trucks upon any officially established detour in any case where such truck could lawfully be operated upon the street for which such detour is established.
- (e) The operation of commercial vehicles coming from an unrestricted street having ingress and egress by direct route to and from any restricted street, when necessary, for the purpose of making pick-ups or deliveries of goods, wares and merchandise from or to any building or structure located on the restricted street, or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling or construction of any building or structure upon the restricted street for which a building permit has previously been obtained.
- (f) The operation of any vehicle which is subject to the provisions of section 1031 to 1036, inclusive, of the Public Utilities Code.

[History: formerly § 6.323; ORD 249, 5/14/80; ORD. 251, 7/09/80; ORD. 638, 12/14/05]

6.03.090 Truck Traffic with Outside Origin.

- (a) *Inside Destination Point.* All trucks entering city for a destination point in the city shall proceed only over an established truck route and shall deviate only at the intersection with the street, upon which such traffic is permitted, nearest to the destination point. Upon leaving the destination point, a deviating truck shall return to the truck route by the shortest permissible route.
- (b) *Multiple Inside Destination Points.* All trucks entering the city for multiple destination points shall proceed only over established truck routes and shall deviate only at the intersection with the street, upon which such traffic is permitted, nearest to the first destination point. Upon leaving the first destination point a deviating truck shall proceed to other destination points by the shortest direction and only over streets upon which such traffic is permitted. Upon leaving the last destination point, a deviating truck shall return to the truck route by the shortest permissible route.

[History: formerly § 6.324; ORD 249, 5/14/80; ORD. 638, 12/14/05]

6.03.100 Truck Traffic with Inside Origin.

- (a) *Outside Destination Point.* All trucks, on a trip originating in the city and traveling in the city for a destination point outside the city, shall proceed by the shortest direction over streets on which such traffic is permitted to a truck route as herein established.

(b) *Inside Destination Points.* All trucks, on a trip originating in the city and traveling in the city for destination points in the city, shall proceed only over streets upon which such traffic is permitted.

[*History:* formerly § 6.325; ORD 249, 5/14/80; ORD. 638, 12/14/05]

6.03.110 Enforcement.

(a) *Clerk Maintains Maps.* The City Clerk shall keep and maintain accurate maps setting out truck routes and streets upon which truck traffic is permitted; the maps shall be kept on file in the office of the City Clerk and shall be available to the public.

(b) *Chief of Police Maintains Signs.* The Chief of Police of the city shall cause all truck routes and those streets upon which truck traffic is prohibited to be clearly sign-posted to give notice that sections 6.03.050 through 6.03.110 are in effect. The City Council determines that such signs will best serve to give notice of these sections.

(c) *Failure to Post.* No person shall be charged with violating the provisions of this ordinance by reason of operating a truck upon a street where truck travel is prohibited unless signs are posted on such street.

(d) *Weigh-In.* The Chief of Police shall have the authority to require any person driving or in control of any commercial vehicle not proceeding over a truck route or street over which truck traffic is permitted to proceed to any public or private scale available for the purpose of weighing and determining whether this ordinance has been complied with.
