If the audit shows that there is a deficiency in the payment of any percentage of gross monthly revenue provided for in subparagraph (b) above, the deficiency shall become immediately due and payable. The cost of the audit shall be paid for by City, unless the audit shows that the permittee understated gross revenues by more than five percent (5%), in which case permittee shall pay all City's cost of the audit. Upon request of the auditor, permittee shall provide to the auditor copies of permittee's state and federal income tax returns, which returns shall be kept confidential and shall not be disclosed other than is necessary to carry out the purposes of this section.
