5.03.120 "E" Zone.

(a) The following uses are generally permitted on land located within the "E" Zone:

- (1) A cemetery or memorial park;

- (1) City Council Approval. Whenever the project requires approval of a Use Permit, Subdivision Map, Planned Unit Development, or other action by the City Council, then the City Council shall also, at that time, make the determination to approve the design in accordance with this ordinance. Determinations made by the City Council may be reconsidered in accordance with the procedure set forth at Section 5.03.420.
- (2) Appeal. A determination by the City Planner with respect to the Colma Design Review Ordinance may be appealed by any interested party to the City Council in accordance with the procedures set forth in section 1.02.140 of the Colma Municipal Code.
- (3) Approval Criteria. In considering the approval of a design the City Council or City Planner, as appropriate, shall make the following findings:
 - (i) That the architectural, site and landscape design of the proposed project incorporates design elements adopted for the DR zone.
 - (ii) That the architectural, site and landscape design substantially reflects the intent of the DR zone to achieve a consistent site, landscape and building design theme for the Town of Colma.
- (4) Design Review fees shall be established from time to time by the City Council of the Town of Colma by resolution. [Ord. 524, 1/14/1998]

5.03.310 Restrictions Applicable to "P" Zone.

There shall be no restrictions on buildings or use within the "P" Zone, except that it is the policy of the City that any use in the "P" Zone shall be consistent with the other uses in the City.

[History: formerly § 5.334; ORD. 234, 3/14/79; ORD. 638, 12/14/05]

5.03.320 Restriction Applicable to "F" Zone.

(a) No person may erect, construct, enlarge or improve any building or structure in the "F" Zone, or permit the same to be done, unless the building or structure complies with each of the following requirements:

- (1) The first-floor elevation (to include basement) of any new residential structures shall be elevated to or above the 100-year flood elevation;
- (2) The first-floor elevation (to include basement) of non-residential structures shall be elevated to or above the 100-year flood elevation;
- (3) Only construction materials and utility equipment that are resistant to flood damage may be used at or below the 100 year flood elevation;

(d) Buildings and structures may be developed in the "T" Zone, subject to a Use Permit, provided the building or structure is supported on a foundation system that will not prevent the development of covered, underground public or private transit facilities at that location.

[History: formerly § 5.335.2; ORD. 374, 09/14/88; ORD. 460, 11/10/93; ORD. 638, 12/14/05]

5.03.350 Restrictions Applicable to All Zones.

(a) There shall not be permitted any use which may be determined by the City Council to be obnoxious or offensive because of the presence or emission of odor, fumes, dust, gas, smoke, noise, bright lights, vibrations, pollution, detrimental sewer wastes, or have a detrimental effect on permissible adjacent uses, or will be hazardous by reason of danger of fire or explosion.

(b) In each zone there shall be provided at the time of the erection of any main building or at the time any main building is enlarged or increased in capacity, sufficient off-street parking accommodations with adequate provisions for ingress and egress by standard size automobiles. Parking access-ways, parking spaces and fire lanes shall all meet the minimum standards provided in Section 5.01.080 (Definitions) above.

(c) The following uses are prohibited in all districts: amusement parks or centers, circuses, carnivals, outdoor theaters, race tracks, commercial recreation centers, stockyards, the slaughtering of animals, and medical marijuana dispensaries.

(d) Definition of "self-storage mini-warehouse": a structure containing more than five (5) individually locked rooms or compartments, each of which rooms or compartments are available for rent to the general public on a daily, weekly, monthly or other periodic basis for the purpose of storing chattel or personal property, where the property stored in the rooms or compartments is loaded and removed by the renter of the compartment, rather than by the owner of the self-storage mini-warehouse or his agent. "Self-storage mini-warehouse" does not include storage space made available on a rental basis to renters of apartments or owners of condominiums on the premises which contains the condominium or apartment building.

(e) No person shall install, construct or maintain a fence or hedge on any property in the Town of Colma except in compliance with the following:

(1) General fence and hedge limitations:

(i) If cyclone fencing is used, it must be black vinyl clad with black painted posts and supports.

(ii) Fences shall be maintained in good repair and condition.

(iii) Hedge height limits in this section do not apply to taller landscaping planted immediately adjacent to building walls. Free standing trees are encouraged in all yard areas.

(iv) Fences with razor wire are not permitted in the Town of Colma.

- (v) For corner lots, a vision triangle of 35' shall be maintained to insure safe visibility for motorists. The vision triangle shall be created by measuring along the curb line 35' in each direction from the street corner, with the endpoints connected across the lot. Within the vision triangle, no fencing or vegetation shall exceed three (3) feet in height and all tree canopies must be kept seven (7) or more feet above grade.
- (vi) Any unimproved right-of-way (the area between the back of sidewalk and the front property line of any property) may contain landscape planting, irrigation and fencing.
- (vii) The height of a fence shall be measured as the higher of the two sides of the fence.

(2) Fence and hedge limitations in all Residential Zones:

- (i) No fence or hedge in excess of four (4) feet in height is allowed between the back of the sidewalk and front wall of any residence. An exception is permitted for a single, freestanding trellis structure not exceeding eight (8) feet in height, five (5) feet in width, and five (5) feet in depth. An exception may be granted by the City Planner through the Design Review Process if required for security, pedestrian safety, to screen out undesirable views, or for other aesthetic reasons.
- (ii) No fence or hedge in excess of six (6) feet in height is allowed from the front face of the residence to the rear property line. An exception may be granted by the City Planner through the Design Review Process if required for security, pedestrian safety, to screen out undesirable views, or for other aesthetic reasons.
- (iii) No barbed wire shall be permitted in a residential zone.

(3) Fence and hedge limitations for Non-Residential Zones:

- (i) No fence or hedge in excess of four (4) feet in height is allowed between the back of the sidewalk and a parallel line set back thirty (30) feet from the front property line. An exception may be granted by the City Planner through the Design Review Process if required for security, pedestrian safety, to screen out undesirable views, or for other aesthetic reasons.
- (ii) No fence or hedge in excess of eight (8) feet in height is allowed from the thirty (30) foot setback line to the rear of the property. An exception may be granted by the City Planner through the Design Review Process if required for security, pedestrian safety, to screen out undesirable views, or for other aesthetic reasons.
- (iii) No barbed wire shall be permitted in front of the thirty (30) foot setback line. An exception may be granted by the City Planner through the Design Review Process if required for security.

- (4) Prior constructing or installing a fence in excess of six feet in height, retaining wall exceeding two (2) feet in height, masonry wall, or any improvement located in the public right-of-way, owners and occupants should consult with the Building Official or City Engineer to determine if a building permit and/or encroachment permit is needed.

[History: formerly § 5.336, ORD. 234, 03/14/79; ORD. 313, 02/13/85; ORD. 550, 4/14/1999; ORD. 638, 12/14/05, ORD 662, 9/12/07]

5.03.360 Restrictions and Landscaping Along El Camino Real.

(a) No building shall be located less than thirty (30) feet from any portion of El Camino Real to any portion of the building.

(b) Within the required setback from El Camino Real there shall be maintained only paved walks, paved driveways, lawns and landscaping. The landscaping shall be consistent with landscaping in the surrounding areas, and shall screen parking areas from passersby on El Camino Real. The City Council may, as a condition of any Use Permit, require a landscaping plan for the area within the required setback.

(c) The restrictions apply to property adjacent to El Camino Real the entire length of said street from the northern boundary of Colma to the Mission Road junction.

[N.B. Section 2 of Ordinance No. 270 (effective 7/9/82) provided as follows: "The requirements of this section shall not be construed to require the removal or other changes or alteration of any structure not conforming thereto as of the effective date hereof or otherwise interfere with the continuance of any non-conforming use; but shall apply to any replacement, addition, or substantial alteration of any such non-conforming structure."]
