

Help improve the Serramonte Boulevard and Collins Avenue Area!

Take our online survey now and be entered in a draw to win a \$100 gift card.

The Town of Colma is in the process of preparing a Master Plan for the Serramonte Boulevard and Collins Avenue corridors. The plan will outline a vision for this key commercial district and provide guidance for strategic improvements to how the corridors look and feel, and how people and vehicles move around the area.

If you live, work, shop, or visit in the area, we want to hear your feedback and ideas about the future of the two corridors! We need **YOUR** help to make sure that the Master Plan reflects the goals and values of the community. The Survey can be accessed at the following link:

http://mpt.link/serramonte_collins

SURVEY CLOSSES MARCH 31, 2018 AT MIDNIGHT

If you need assistance providing your input, please contact:
