Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

GENERAL DEFINITION - Administrative Technician Series

Under supervision or direction of City Clerk, and occasional functional and technical direction from others, performs a wide variety of general clerical, technical and/or administrative duties at differing levels of complexity and difficulty related to the overall administrative operations. Incumbents are normally expected to solve most work problems independently and to refer to supervisory personnel only those matters which involve policy decisions, technical questions and unusual problems at the entry level and make recommendations at the advanced level, but do not have independent purchasing authority.

DISTINGUISHING CHARACTERISTICS

Assigned duties in this multi-level class range from routine journey to advanced/highly complex and incumbents function under direct supervision at the entry level to general direction at the highest level.

Administrative Technician I: This is the beginning journey level position. Employees at this level receive occasional instruction or assistance as new or unusual situations arise and are fully aware of operating procedures and policies of the work unit. This class is distinguished from the Administrative Technician II in that the latter provides periodic advanced journey level clerical or technical support to a specific functional area.

Administrative Technician II: This is the mid journey level position. Employees at this level are distinguished from the beginning journey level position by the responsibility assumed, complexity of duties assigned, independence exercised and by the nature of the public contact made. Employees at this level perform more difficult and responsible types of duties including performing technical clerical duties that require specialized knowledge relating to area of assignment or are technical in nature. Employees at this level are required to be fully trained in all procedures related to assigned areas of responsibility.

Administrative Technician III: This is the advanced position that may serve as the lead to the Administrative Technician I/II positions and may take direction from various management

staff in different departments. Employees at this level may perform as Assistant to the City Clerk.
