

Candidate Statement
Helen Fisicaro

Occupation: Incumbent/Businesswoman

Education and Qualifications:

I have lived in Colma for over 41 years and have devoted endless hours, energy, knowledge, skills and stamina to Colma.

I actively participate in all decisions for Colma's benefit. While serving as your council member, services have been maintained, budgets are balanced, there have been no layoffs, and there is ample money in reserves for Colma's future.

I energetically represent Colma as your current councilmember, as Chair of the Colma Creek Advisory Committee, San Mateo County Treasury Oversight Committee, and Seton Local Governing Board. I also volunteer multiple hours to several organizations that provide valuable services to Colma residents.

I am a SFSU graduate with Business Administration and Human Resource Management Degrees and a Chamber of Commerce Leadership Graduate.

I have received Leadership, Community Service, and Achievement Awards; been inducted into San Mateo County Women's Hall of Fame for being a dedicated public servant and volunteer. I love helping my community, truly do this from my heart, not for the recognition.

I want to continue working on Colma's upcoming important projects; Serramonte Blvd., Collins Avenue, and Hillside Boulevard.

Please vote for me, Helen Fisicaro, so that I may continue to serve you. Thank you.
