Landscape Maintenance Services RFP  
Request for Information

### **ADDENDUM # 2**

**April 19, 2019**

#### **Addendum Acknowledgement Receipt Shall Become a Part of the RFP**

**This Addendum is hereby made a part of the Request for Proposals (RFP) of the above referenced project. Please acknowledge receipt of this Addendum and return a signed copy with your Proposal.**

1. 'Exhibit D – Pricing Form' is updated to include a line item for pricing general landscape maintenance services for Hillside Boulevard. This street was not itemized in the original exhibit. The updated Exhibit D now has 28-line items.

The attached 'Exhibit D: Pricing Form, updated 04/19/2019' supersedes the form included in the original RFP. Please refer to Section X of the RFP for Proposal Submittal Requirements and use the updated Exhibit D-Pricing Form rev 04/19/2019.

2. The RFP states that Colma will pay for any fertilizer, but what about pre/post emergent pesticides. Are those to be figured in our costs or is this something Colma will pay for as well?

Response: The material cost will be reimbursed by the Town. Application of fertilizers and pesticides will be the contractor's responsibility and this cost should be included in the pricing. Please note that any pesticide usage should be in compliance with the Town's IPM Policy.

There are no changes to the RFP submittal deadline.

***ADDENDUM ACKNOWLEDGEMENT***

**Proposer acknowledges receipt of this addendum, which shall be attached to the proposal.**
