

El Camino Real Bicycle and Pedestrian Improvement Plan

The Town of Colma is preparing a Bicycle and Pedestrian Improvement Plan for El Camino Real. This plan will improve comfort, safety, access, and convenience for people who walk or bike along El Camino Real and increase access to public transportation.

Since September 2019, when we last hosted meetings about this project, we have prepared roadway design alternatives for El Camino Real based on community input and technical analysis.

You are invited to learn more and share your input at one of the events listed. We will provide the same information at each event, so you can pick the one that works best for you. We hope to see you there!

Join us!

Pop-up meeting

Wednesday, March 4, 2020
5 – 6:30 p.m.
Colma BART station

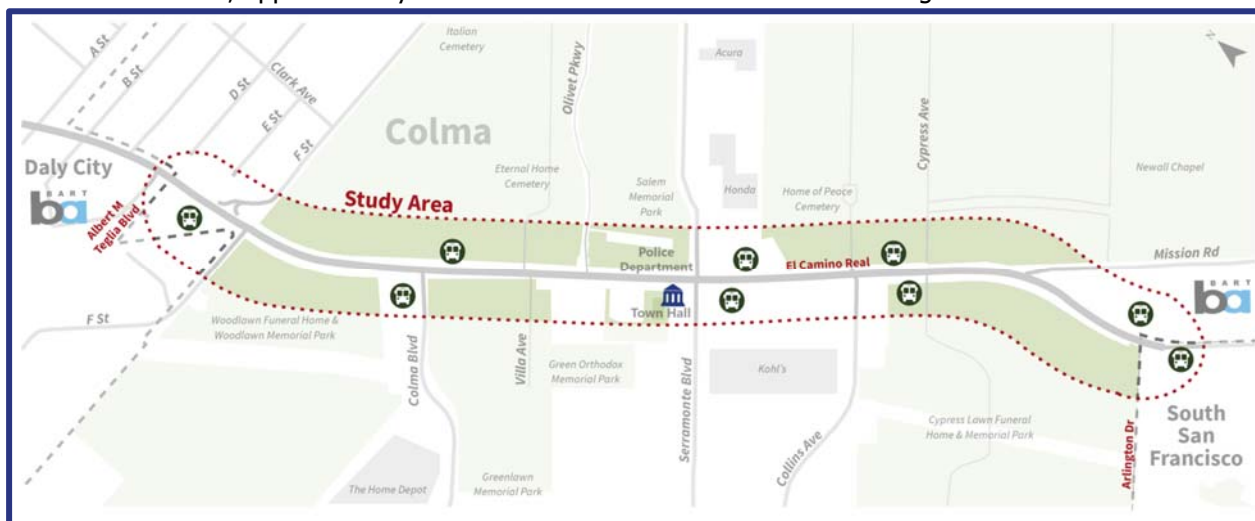

Community presentation and meeting

Thursday, March 5, 2020
11:30 a.m. – 12:30 p.m.
Colma Town Hall

Pop-up meeting

Friday, March 6, 2020
5:30 – 7 p.m.
Colma Game Night at the
Colma Community Center

The El Camino Real corridor we are studying extends within the Town of Colma, approximately between the Colma BART station and Arlington Drive.

Can't make it?

Visit ColmaElCamino.org for more information about the project and to provide your input.
