The Colma Conversation

Frequently Asked Questions

on Colma's Town Services and Disaster Preparedness

Q: What is The Colma Conversation?

A: Today's extraordinary times mean it is more important than ever for the Town to engage with residents on current and future needs and priorities. In that spirit, the Town has launched *The Colma Conversation* – an interactive community engagement survey to hear from you.

In addition to current COVID needs, this conversation will also help the Town plan in this year's budget process as we look to the future effects of the current crisis. The Town will be incorporating your feedback to reflect the concerns services that are most important to in our future planning.

Q: Are we prepared for a State of Emergency?

A: As much as any of us are available, yes. Now more than ever, residents are relying on the critical services the Town provides including 911 emergency response. The Town must ensure that we continue to be prepared for any medical or catastrophic emergency by preparing our local Police Department, maintaining rapid 911 emergency response times and updating emergency communication systems.

Q: What have Colma residents identified as local priorities?

A: Residents identified the following community service priorities:

- ✓ Preparing for a medical or catastrophic emergency
- ✓ Supporting our local small businesses
- ✓ Maintaining neighborhood police patrols and rapid 911 response
- ✓ Continued crime investigation and reduction services

Q: How can I join the Conversation?

A: We want to hear from YOU about Town service needs and priorities. Please Join the Conversation by visiting our website at: <https://www.surveymonkey.com/r/H2PGP3T>
